From the beginning, man has struggled toward an ever high goal, with an inner compulsion that comes from the mind and soul. How blessed indeed are we, Catholic students, to have the precepts of Christ, the Divine Teacher, Who teaches us a way of life: to be loyal to our superiors, just and generous with our fellowmen, and to live our lives in uprightness.

OUR BISHOP

The Most Reverend Edward F. Hoban, S. T. D., Ph. D., LL. D.

Known throughout the country as educational leader, our beloved Archbishop has endeared himself to Clevelanders with his care and earnestness towards the welfare of the diocesan children. Unique and shining are his achievements in education ventures. The results of which have seen not only a national reputation but far more important, an educational system that knows little of the hardship and suffering common to private education. For his loving care and concern we thank him now and glory in the greater gratitude that the success of future generations will bring to him. We know our days under his guidance have been fruitful.

OUR AUXILIARY BISHOPS

The Most Reverend
John J. Krol, S.T.D., J.C.D.

Bishop Krol is Cleveland's Junior Auxiliary Bishop. He holds the titles of Vicar General and Promoter of Justice. He heads the Diocesan Council of Administration and is on the Boards of Priestly Activities and Catholic Action.

Since his appointment as Junior Auxiliary Bishop of Cleveland on September 2, 1953, he has honored St. Joseph's by his presence on various occasions. This present year, Bishop Krol officiated at the consecration of the Sacrificial Altars in the Boys' chapel in the school, and the Brothers' chapel in the Faculty Residence.

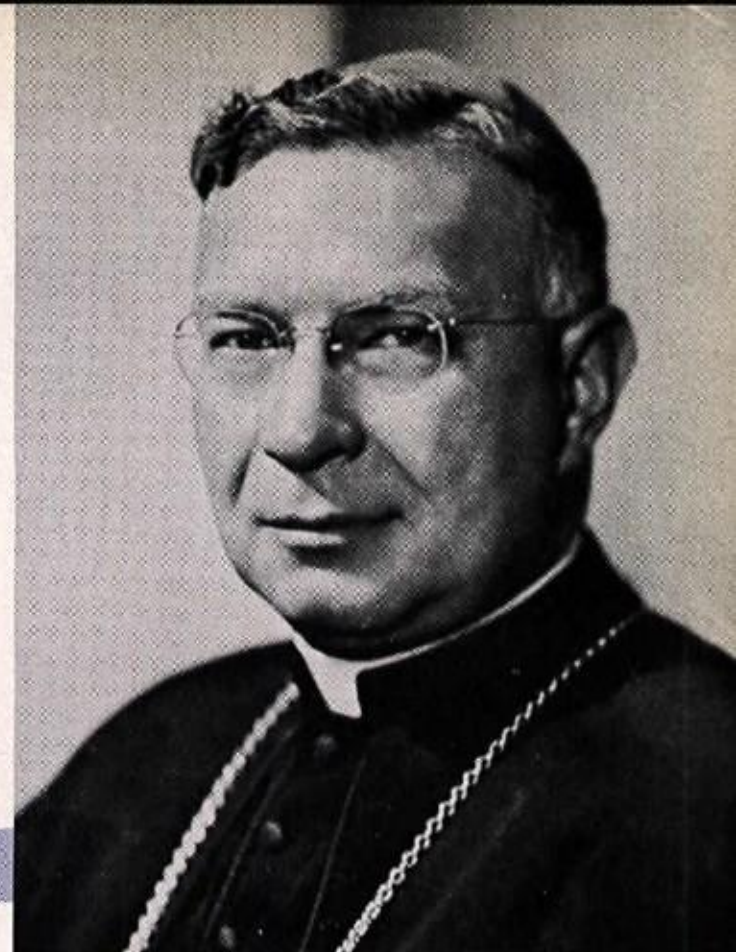

OUR SUPERINTENDENT

PARISH LIFE

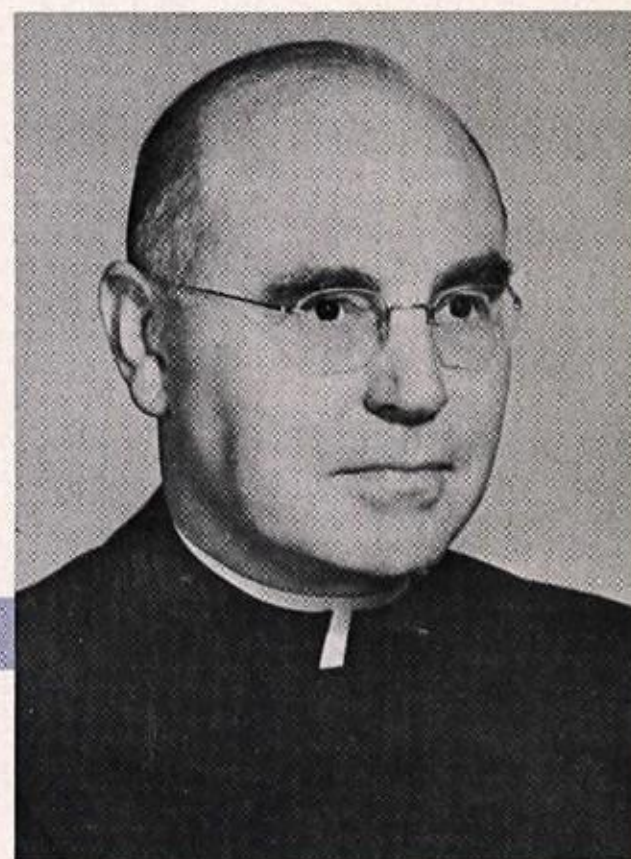

We at St. Joseph have many to thank and for so much and included among these is Monsignor Clarence Elwell, who is constantly striving to maintain and increase the high standards of Catholic Secondary education in the Diocese of Cleveland.

He was ordained on March 17, 1929 and since then his time has been spent in one phase or the other in fostering efforts for the enlightenment of Catholic youth. His success is beyond question.

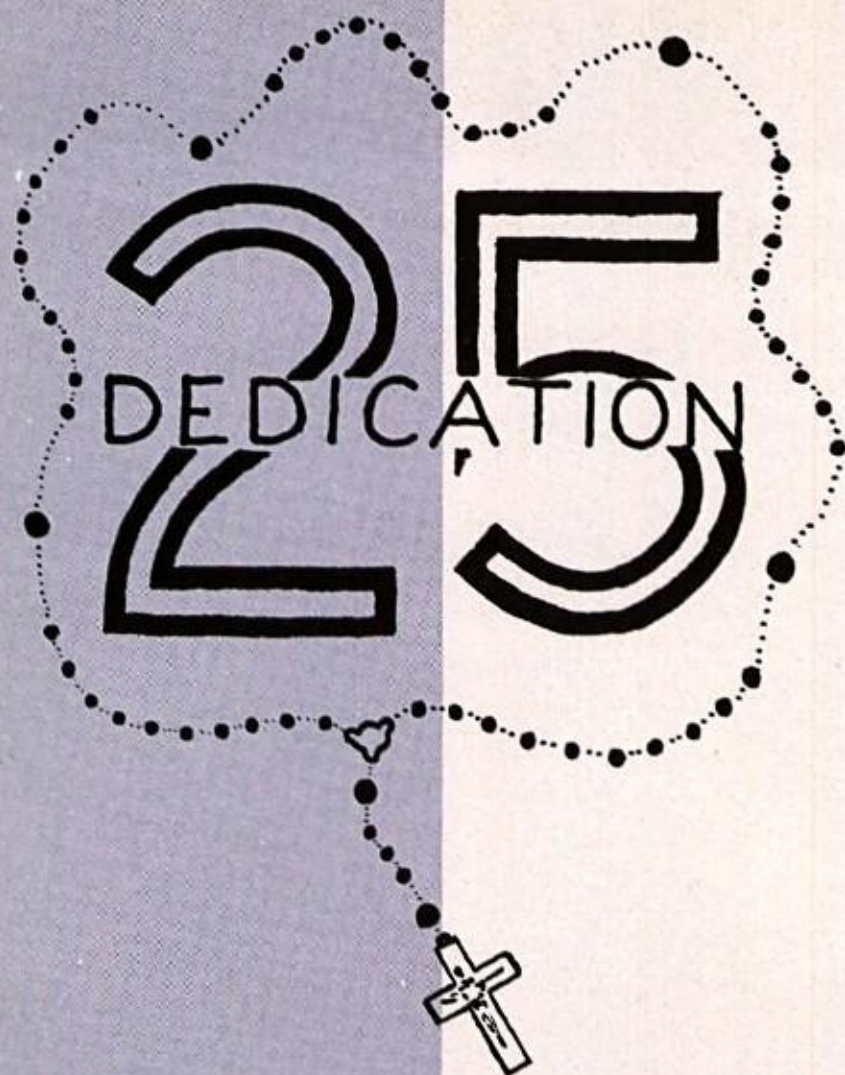

The Most Reverend
Floyd L. Begin, S.T.D., Ph.D.,
J.C.D.

His Excellency, Bishop Begin, is one of the auxiliary bishops of the diocese. He holds the position of one of the Vicars General and director of the diocesan Eucharistic Congress. Besides spending much of his time carrying out the Archbishop's plan of Catholic action, and confirming people throughout the diocese, he still finds time to officiate at various other functions. One of these "extras" was the presiding at the graduation exercises of St. Joseph's class of 1956, for which we are extremely grateful.

The Rt. Reverend Monsignor
Clarence E. Elwell, Ph.D.

Bro. John H. Strickroth, S.M.
Twenty-five Years of Service
in Mary's Family

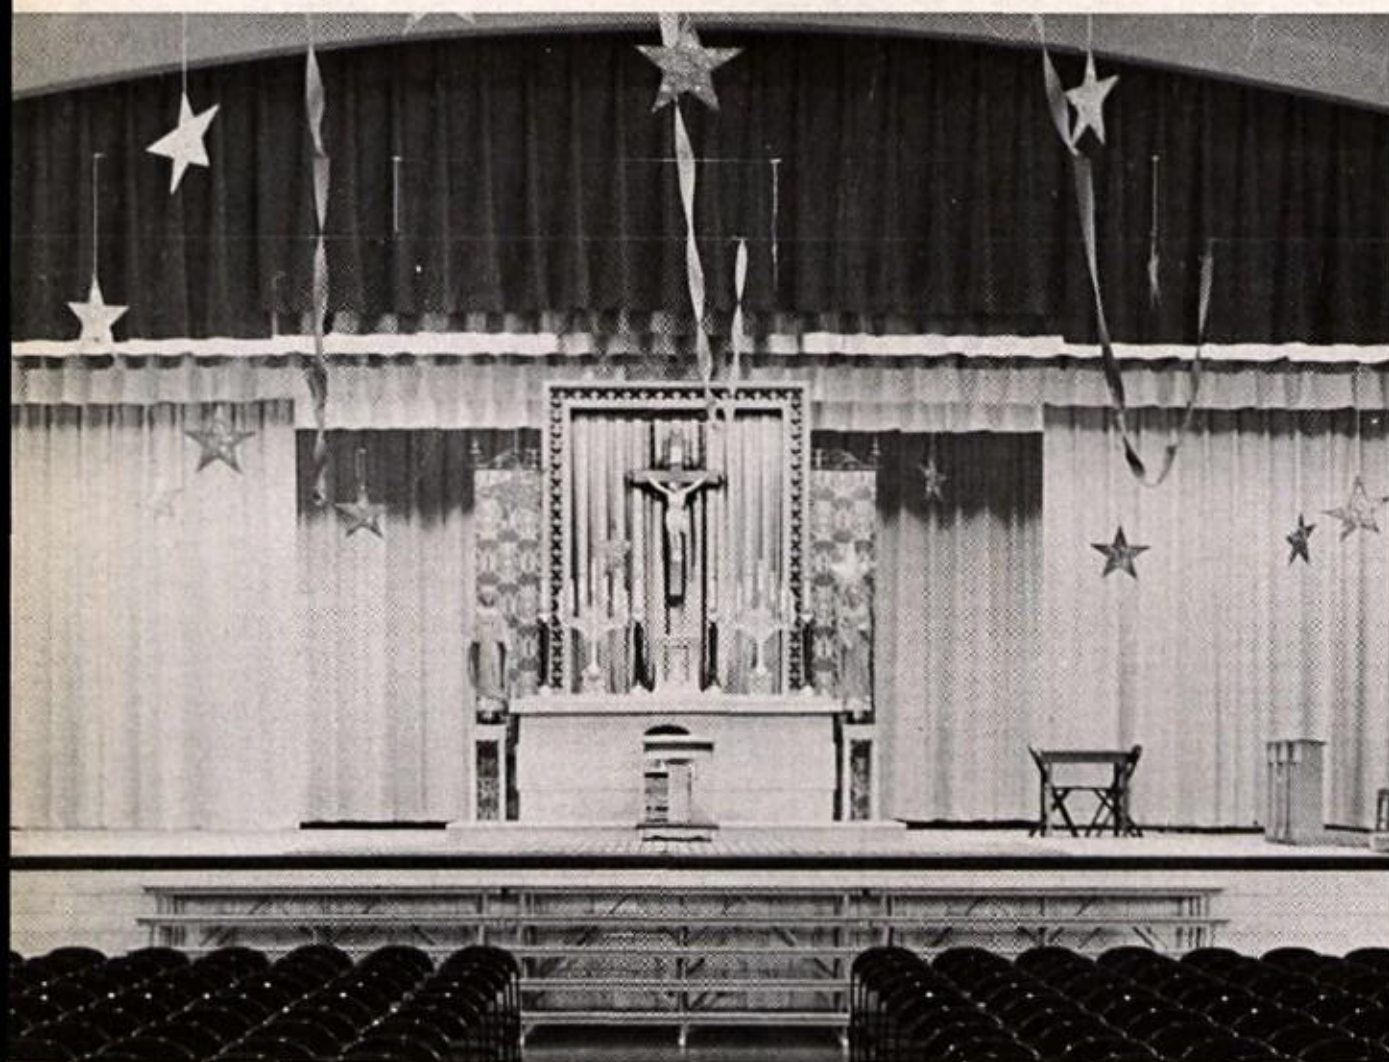

With two wings a man is lifted up above earthly things, that is, with simplicity and purity. Here at St. Joseph's, we have the simplicity of St. Joseph, our School Patron, and the purity of Our Blessed Lady, Patroness of the Marianist Order, ever before us.

It is the fervent prayer of all Vikings that we may, by the infusion of grace into our hearts, always practice the truths inculcated within our minds by the faculty under the leadership of our Principal, and by you, Brother John Strickroth, under whose wise guidance this past year we are completing our studies as Seniors.

So it is with affection and pride that we dedicate this record of our achievements to you, Brother John, and to extend to you most sincere wishes for your true happiness on the occasion of your 25th Anniversary.

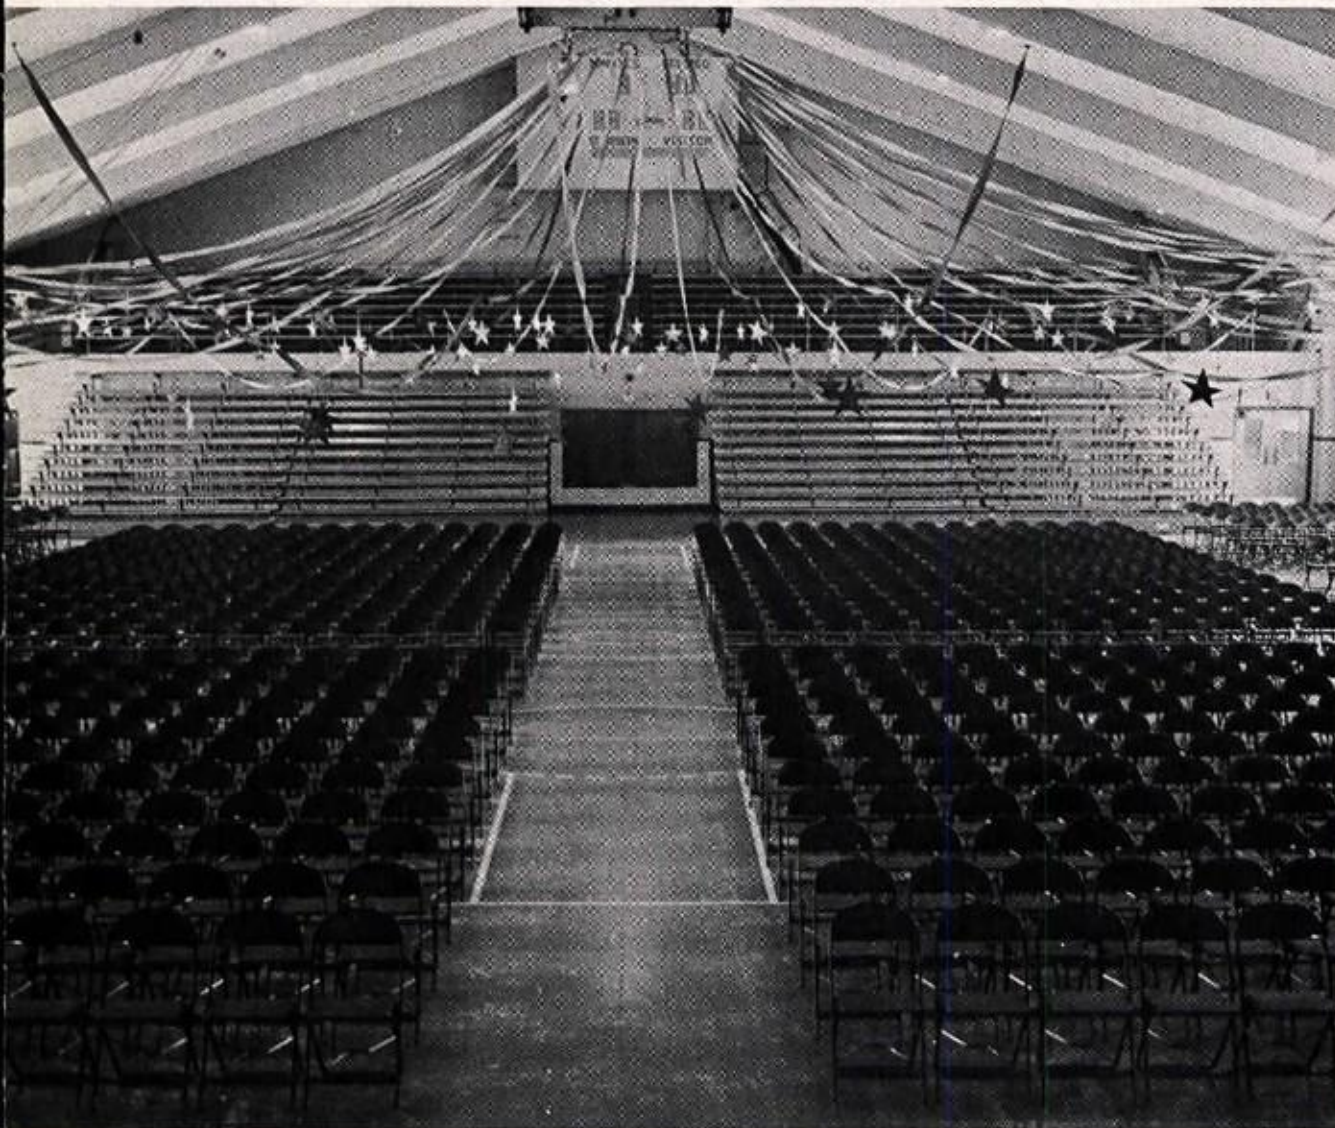

The purpose of any school is to supply its students with the tools vital to future welfare. These tools are physical strength and mental power. To these necessities, the Catholic school adds a third tool, "moral fortitude"—the backbone of the Christian man.

If these tools were innate in all men, there would be no need for private education. But since this is not so, all phases of Catholic school life are centered around the purpose of Christian morals, and the Catholic school is made.

The student, throughout his four years at St. Joseph, is ever becoming a young man with the power of his Faith and the courage of the Truth. Yet, the school can only present the tools, the student must accept them, and therein lies the student's job, not only in school but in life—for is that not the purpose of life?

"Ye shall know the truth and the truth shall make you free."

Administration

ST. JOSEPH HIGH SCHOOL
18491 LAKE SHORE BOULEVARD
CLEVELAND 19, OHIO

My Dear Graduates;

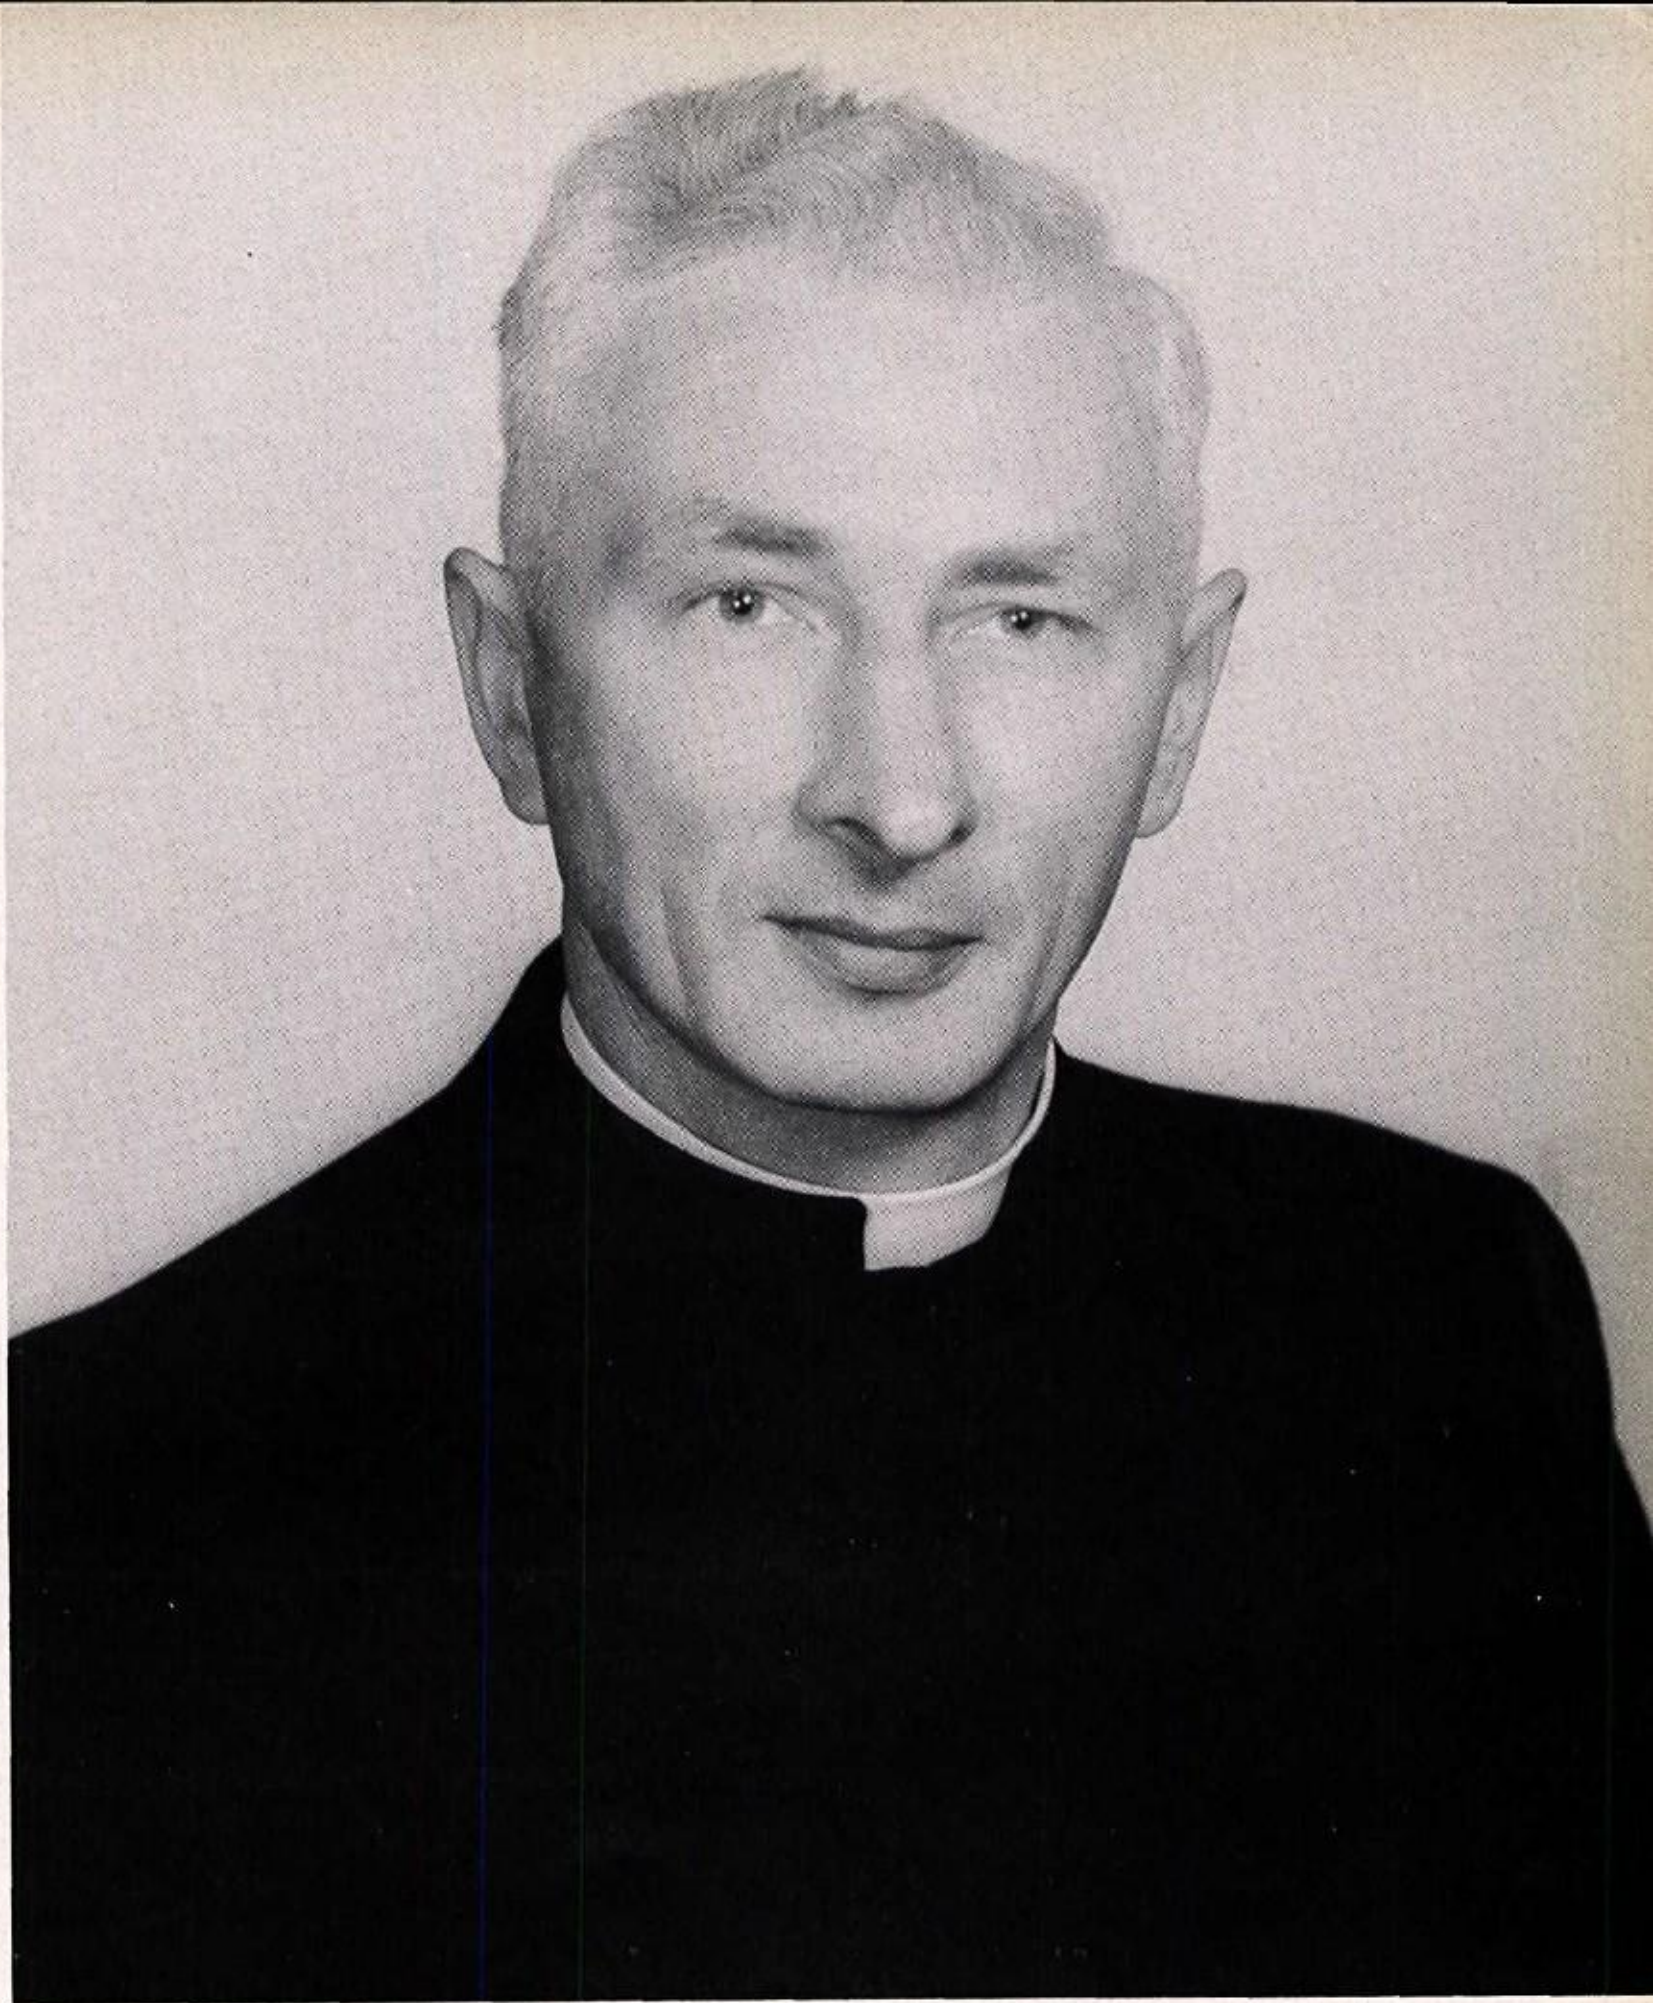

From day to day, one fact is growing more apparent: the people of the world are aligning themselves into either the camp of God, or into the camp that is not His. Yours is an obligation that you cannot take too lightly. As baptized, confirmed young Catholic men, you must take your rightful position in the world and carry out to the best of your ability the motto of St. Pius X. "Instaurare omnia in Christo." Counteract the earthly pleasures, divorce, birth control, drink and free living—common activities of that camp that is not His, activities which may utterly destroy our Civilization.

Our Blessed Mother is calling you to vigorous Christian living; She wants you to become part of Her Army in order to save our United States and Civilization. Waste not a moment. Pledge yourself to Her service. This is your call and obligation to act. It is a call to get out of the rut of mediocre living and join the front lines in the Army of Mary through prayer and penance. These are the arms of steel which alone can defeat those in the camp that is not His.

Though this is my last year at St. Joseph's, I leave with deepest regrets; but I take with me fondest memories of six happy years. May Our Blessed Mother always watch over you, and may you always serve Her faithfully. God bless you. I am devotedly yours in Jesus, Mary, Joseph.

PRINCIPAL

Dean—Assistant Principal

OUR CHAPLAIN

In the two short years that Father Carlen has been at Saint Joseph's, he has made numerous friends among the student body. In addition to his regular teaching schedule, Father is head moderator of the Sodality, and also at the constant beck and call of any of the students for spiritual consultation or merely for a friendly chat of encouragement. We, therefore, owe a debt of gratitude to Father, not only for the education he has aided in giving us, but also for his faithful carrying out of his duties as chaplain in our behalf.

Bro. John explains the new program schedule

OUR DEAN

One of the most difficult and thankless jobs in any school is that of maintaining discipline and order. This is one of Bro. John's tasks. Without a doubt, he has done exceedingly well—he has made himself loved and cherished by all who come into contact with him.

Even when under his disciplinarian meanness, one could not help but feel pleasure in knowing this man, his kindly ways, understanding manner and jovial personality—but stern, when need be. Bro. John has earned a lasting place in the hearts of those who have known him. It has been our sincere privilege and pleasure to have studied under his guiding hand.

OUR TREASURER

Spending the past six of his forty years as a Marianist at Saint Joseph's, Bro. Herman has become an institution both in the hearts of the students and in the minds of those with whom he has done business. His ready smile and handy wit have made him liked by many as a teacher and a friend.

When he is not busy in his office with the innumerable problems of a financier, he is in the classroom imparting German to his students.

In the future, heartfelt thanks and warmest regards will always come to mind when we recall Bro. Herman.

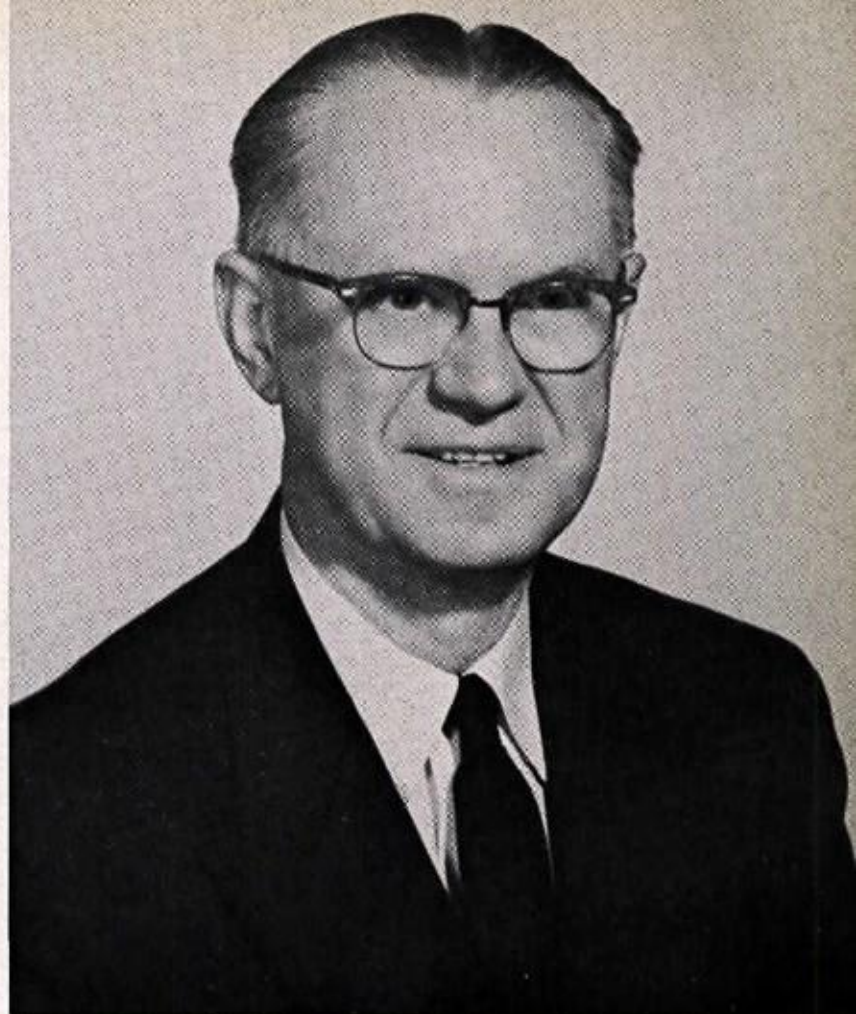

to the other members of the administration.

OUR COUNSELOR

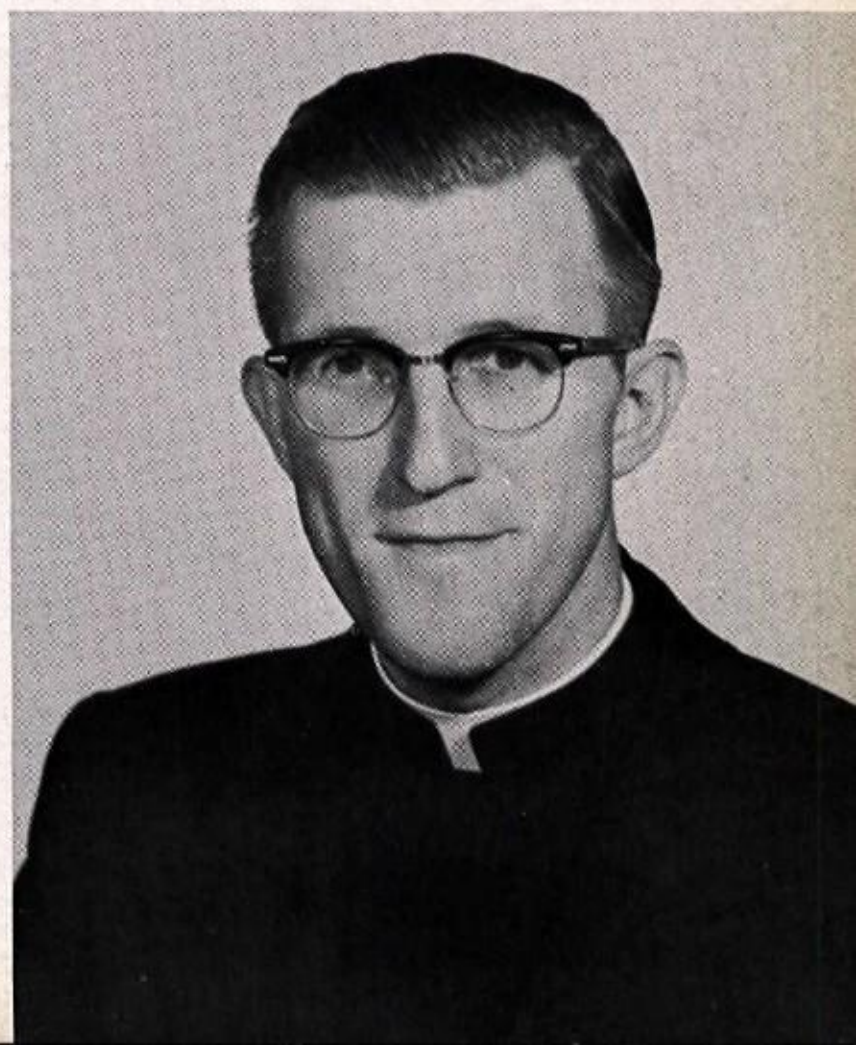

Perhaps one of the men most concerned with our future material welfare is our friend and guidance director, Father Reichert. From his maze of facts and figures, he advises the future graduates of their capacity and talents, thus giving students a personal insight for themselves, giving them confidence in the future. During two short years, his influence has been felt by over four hundred men of which number many will express personal gratitude.

Not only has he prudently advised us to a choice of vocation, but his spiritual counsel through confessions and informal talks has helped many of us. He not only aids in personal guidance but also arranges for outside speakers to give us ideals of their various fields of endeavor. For all this, we, students, offer our sincerest "thank you."

In 1956, St. Joseph's did not have a winning record for only the second time in the school's history. While we were not happy over the season's record, no one could say that we're not proud of the team. We are not making excuses for the team but only being fair to them, when we say they played a tough, hard schedule and everyone of our opponents knew they were in a football game. It seemed to everyone that they were a team of potentialities, but were never able to get that break that would set them flying. They were able to move the ball well, but something would always happen to halt their drive.

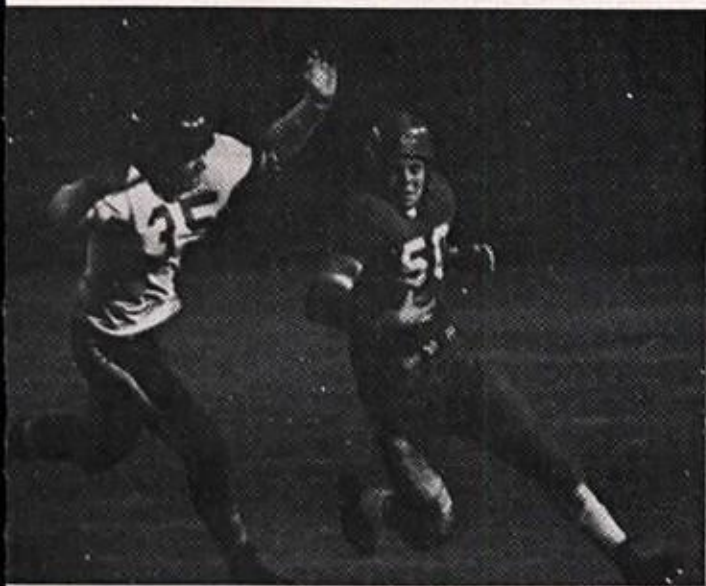

We had a rough, tough, but clean playing team, representing us in such manner, that the St. Joseph's students never had to be ashamed of their behavior on the playing field.

If we go back and check the record, we can see St. Joseph's, with the exception of one game, was always close and just narrowly beaten on several occasions.

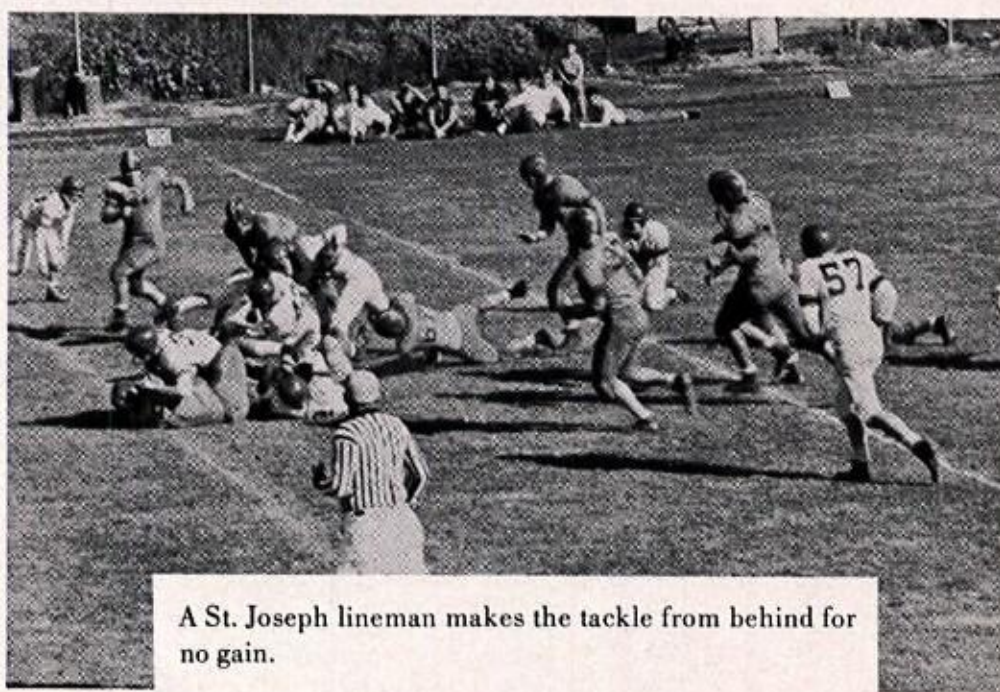

Although, record-wise, it was not a really successful season what the team did for the school, and what football did for the boys cannot be seen in the record. When these are added together, the season was a success.

Akron, St. Mary's surprised the squad with two quick touchdowns in the first quarter to take the lead and keep it. The following three quarters, the Vikings fought with a hard determined effort to overcome St. Mary's. Bob Mickovic made some good running plays and John Perrotti executed beautiful punts.

St. Joseph	12	7	-7	7	33
East High	6	0	7	0	13

Recovering from the opening game disappointment, the Viking squad trounced East High. Although the teams were matched, the Vikings ran up a score of 33—13. Frank Whalen paced the way with two touchdowns from aeriels from Jerry Horvath. Ralph Godic and Mike Flynn each tallied a T. D. Captain Joe Belanich, playing line backer, intercepted a pass and went for pay dirt, earned him the honor of the Press ALL STAR.

St. Joseph	0	0	0	0	0
Cleveland Hts.	6	0	0	6	12

The opening game of the season, although losing a score of 12—0, demonstrated the fighting spirit the team and school were to carry through all the games. Thrown against the hard driving and fast line of Cleveland Heights, the Vikings tried to match them with good running and passing. At the end of the last quarter, the Vikings made two nearly successful plays. Although the game was a disappointment to the hundreds of cheering Vikings boosters, the fighting spirit for future games was not dampened.

St. Joseph	0	6	0	0	6
Collinwood	6	7	0	6	19

As in previous years, the Collinwood game was fierce battle by both teams to beat their rivals. And although the teams were evenly matched, the experience of the Collinwood team won out 19—6. The cheering Vikings and team displayed good sportsmanship against the disappointed loss. As in the last three games, the St. Joseph cheering section was packed to capacity, displaying the wonderful school spirit of the students. Ralph (Tiger) Godic broke loose for 50 yards; Frank Whalen took a long pass and Godic crashed through the end for the one and only Viking touchdown.

St. Joseph	7	0	0	0	7
St. Edward	6	0	0	7	13

In the annual classic with our West Side rivals, St. Joseph took a heart-breaking loss of 13—7 to St. Edwards. The Viking squad played outstanding ball led by Horvath and Whalen, who scored the T. D. Chuck Walsh and Bill Matejka also tried unsuccessfully to pull the team to victory. The student turnout at this game was something to be envied and once more the students displayed the fine sportsmanship characteristic of St. Joseph's.

St. Joseph	6	0	7	6	19
University School	0	0	0	7	7

The Viking squad met the scrappy University team and came up with a fine score of 19—7. The team displayed the excellent training the coaches have imparted to the team. Every player showed a fine desire to play his best. Outstanding players of this game were Jim Raglow, who placed on the roster of the News Dream Team, Ralph Godic, and Mike Flynn.

St. Joseph	0	0	7	0	7
Canton, Central Catholic	18	12	6	7	43

For the first and only time during the entire season, St. Joseph's was beaten by such a decisive score. It was one of those games where it seemed Canton could do no wrong, and we could do no right. We have nothing to be ashamed of, however, for we played hard and never gave up, even when the chips were down. In spite of the score, it was a rough and hard fought game.

St. Joseph	7	0	0	6	13
Conneaut	9	0	7	0	13

Juniors dominated play as the Vikings fought to a bitter stalemate with a tough Conneaut eleven. Godic lead the Viking offensive as the Vikings poured forth their vain effort. Plowing four yards for the lone Viking tally, Godic then scored the extra point with a plunge. The "pretty passin" of Horvath and the brilliant defensive play of Pat Dodson were shining displays of the St. Joseph spirit.

St. Joseph	7	0	0	0	7
Fairport Harbor	0	0	7	6	13

Against a sloppy and wet field and even slipperier backs, the Vikings met their match. The under-rated and game Fairport eleven earned a measure of glory as they defeated St. Joseph's, 13—7. Once again, the Juniors captured the lime-light, but Seniors, Colagrossi, Perrotti and Peca, caught the coach's eye. If nothing else, this game was a source of optimism for the coming season as Juniors, Horvath, Godic, Kudekas, Krause, and Farone showed the punch that all will look for in the coming year.

VARSITY BASKETBALL . . .

Jim Thailing, *Captain*, goes up for his favorite jump shot.

Bernie Guilfoyle, *head basketball coach*, poses with his primary tool.

As the crowd yells, "the team was in a huddle," the team did just that.

In the 1955—56 Basketball Season, St. Joseph's arrived. The basketball team has a record of 14—5, and was the first real powerhouse the school has yet had.

This was the first year with our new coach, Bernie Guilfoyle, and he arrived with a bang. St. Joseph's opened the season with seven straight wins, until they suffered their first defeat with St. Edward's. It was a team best rescribed as "flashy," probably learned that attribute from its team captain, Jim Thailing. Although being a young team, three of the five starters were Juniors and the entire bench was composed of Sophomores and Juniors, thus promising exciting and winning teams for years to come.

The team learned and improved as the season progressed and more enthusiastic became the students with each decided victory. The high spots of the season were the two victories over our downstate rivals: Chaminade, Dayton and Hamilton Catholic. While these were our most important victories, our best played game was the overwhelming victory with Glenville.

We can be proud of our team not only for their victories, but also for their fine sportsmanship and clean play.

Mike goes up, out of reach, for another easy bucket, in the "jinxed" St. Edward's contest.

Everyone gets ready to jump as St. Joseph opens their season on the road.

St. Joseph	18	30	55	65
Elyria Catholic	7	19	34	50

The Viking Basketball team opened its tough schedule on the road, at Elyria Catholic, where they won easily, 65—50. Captain Jim Thailing started the season right by scoring the team's first 2 points on a lay-up shot. He and Junior Mike Doria tied as high scorers, each with 14 points.

St. Joseph	18	33	52	68
Wickliffe	10	21	38	46

It was "Dude" Thailing again, this time scoring 24 points, to tie a school record, as the Vikings defeated the Blue Devils from Wickliffe, 68—46. Capitalizing on quick break lay-ups, Jim Thailing scored 22 of his points on field goals. Much of the credit for the victory must be given Mike Doria who held down Wickliffe's highly talented Wilmer Gilmore to 15 points. The Vikings scored an exceptional 63% on foul shots this game.

St. Joseph	17	36	56	77
St. John Cantius	10	26	40	58

St. John Cantius was St. Joseph's opponents at the Viking's home opener, and obliged at the occasion by falling in defeat, 77—58. While St. John's had their hands full trying to stop Thailing, Britton and Holzheim's jump shots, Ken Boyle dropped in 16 points.

Kenny Boyle goes way up to win the jump against St. Edward's.

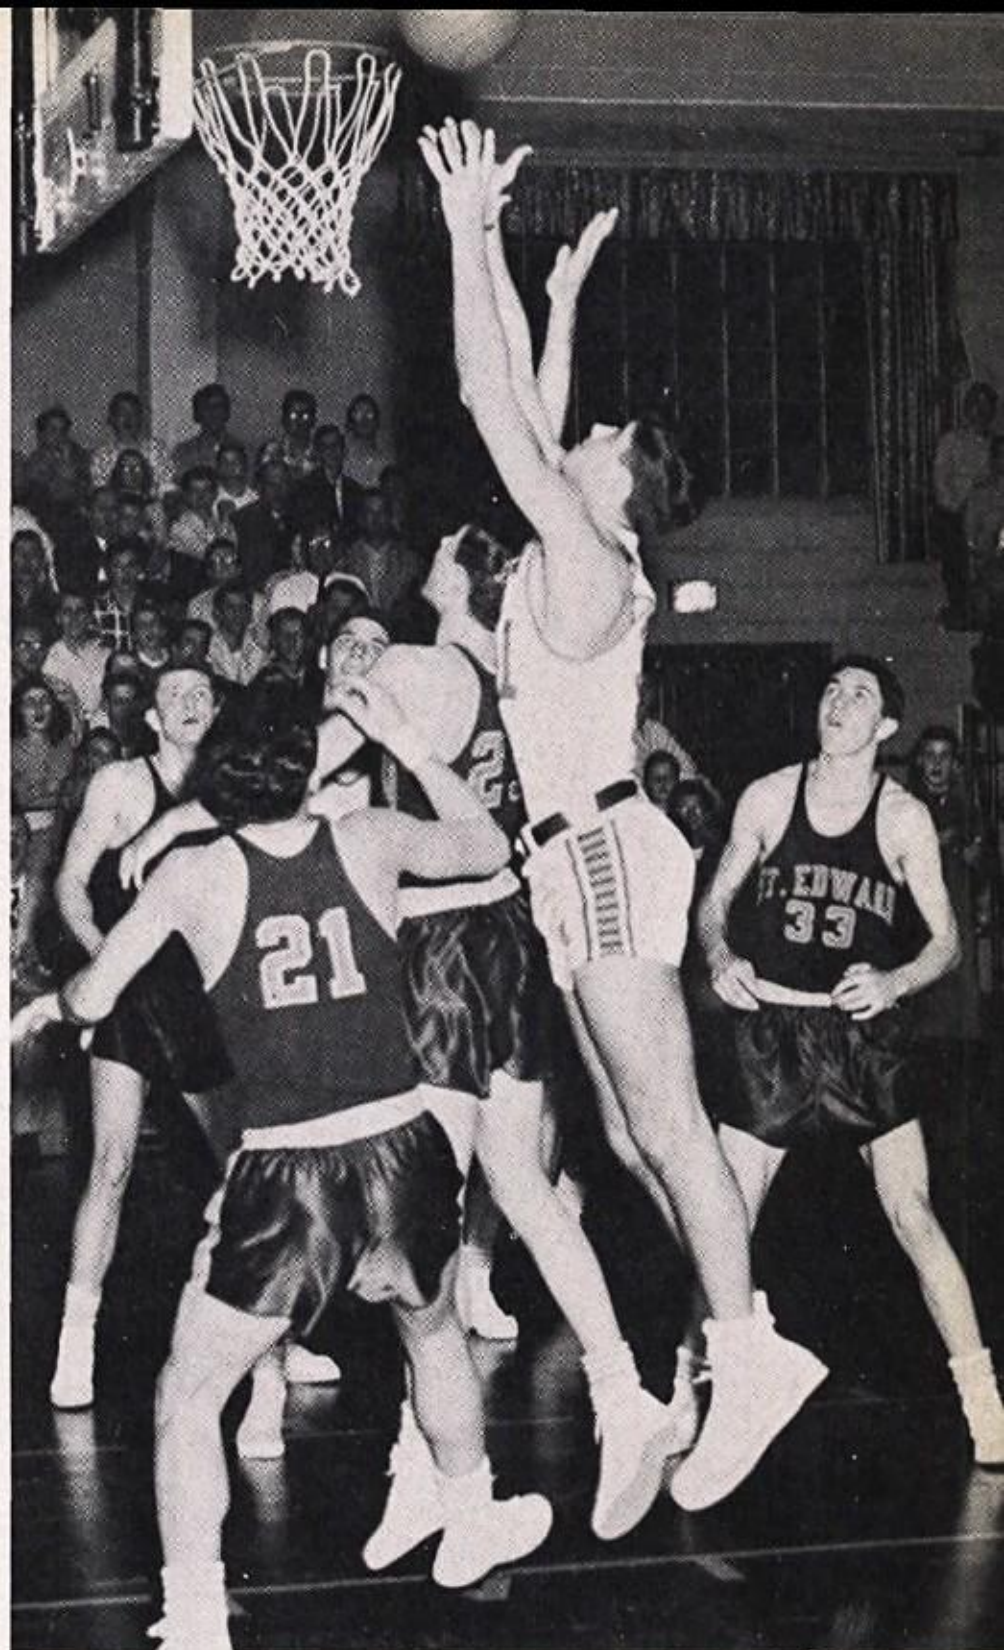

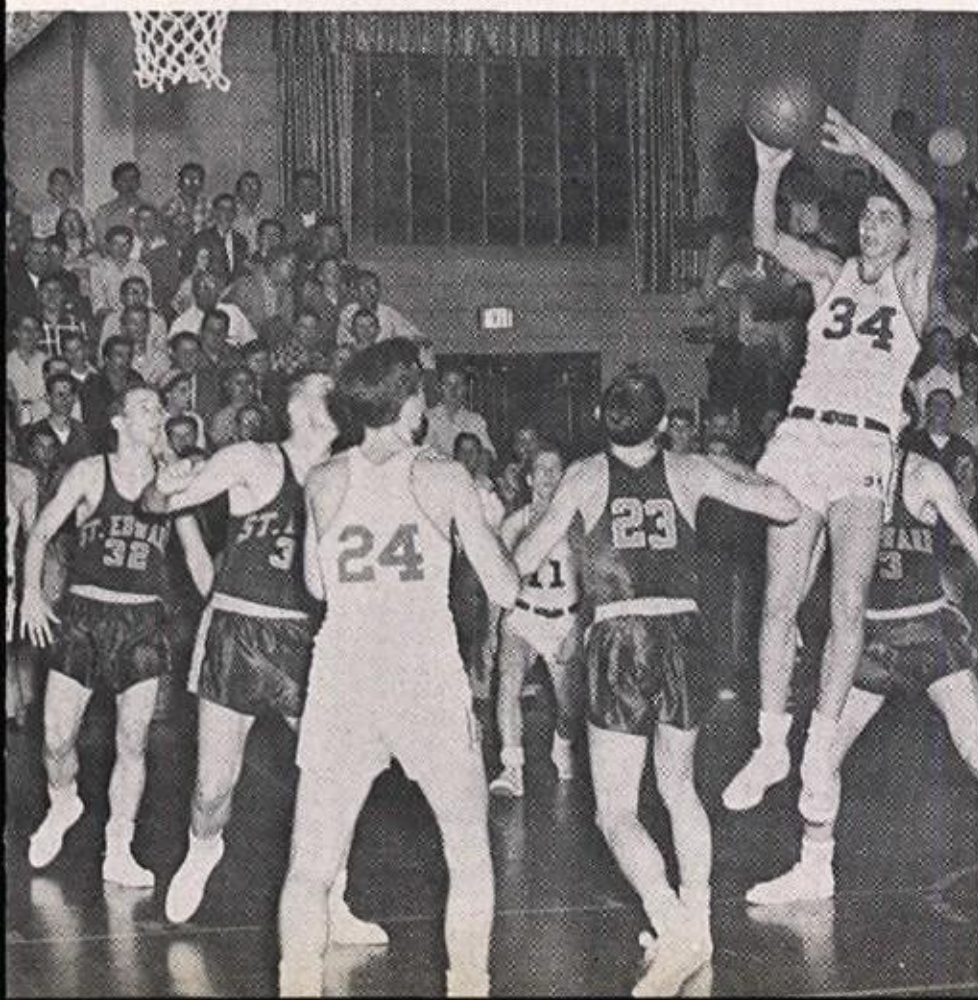

St. Joseph	14	37	56	74
Fairport Harding	14	30	45	62

Junior Mike Doria showed the form which gives much promise of a tough team again next year, as he scored 19 points in the 74—62 defeat of Fairport Harding. Jim Thailing was second high man with 17 points, and Juniors, Boyle and Holzheimer has 16 and 14 points respectively.

St. Joseph	10	26	43	58
Chaminade	21	33	44	54

The Viking basketball team played their greatest game of the season, when they upset the highly favored Dayton Chaminade, 58—54. Mike Doria played a tremendous defensive game, capturing most of the rebounds against a taller team and led the scoring with 15 points. Ken Boyle and Harry Britton tied with 11 points. Thailing and Holzheimer had 10 and 7 points respectively. Based on the performances of the Juniors, it looks as though St. Joseph's will have another team to be proud of in the future.

Mike Doria prepares to let go with one of his patented jump shots.

Pat Dodson takes the rebound and goes up for two more.

St. Joseph	19	35	49	63
St. Stanislaus	10	29	36	42

Mike Doria led the scoring with 17 points as the Varsity rolled over St. Stanislaus, 63—42, for the sixth win in a row. The Viking's consistent foul shooting, 63% made, kept the team ahead throughout the entire game. Harry Britton and Dick Holzheimer scored 14 points each in defeating St. Stan's.

St. Joseph	16	21	33	48
Alumni	11	20	32	38

The "56" Vikings showed their superior strength over their predecessors in defeating the Alumni 48—38. Bob Washura, 6' 5", was high scorer for the losers with 17 points, while Dick Holzheimer set the pace for the Varsity with 13 points. Tom Lowery of the Alumni had 8 points, Rudy Skerl 6, and Norm Novak was stopped with 1. Besides his fancy fall handling, Chuck Morano scored twice.

St. Joseph	12	36	59	78
Elyria Catholic	5	20	46	59

The team bounced back after the stunning loss to St. Edwards by trouncing Elyria Catholic in their second contest by a score of 78—59. The Vikings, on their home court, exploded to a 16 point lead at half time, and continued to hold and even improve on it. Mike Doria once again led the scoring with 18 points, while Harry Britton trailed with 15 markers.

All heads turn to watch "Dude" Thailing's shot.

St. Joseph	8	19	33	42
St. Edwards	16	30	43	53

The Vikings suffered their first defeat after seven straight wins when they traveled to St. Edwards and lost to the Eagles, 53—42. John Davin of the winners was the high point man with 14 points, and Jim Thailing and Dick Holzheimer tied with 12 apiece. The Vikings played a valiant game but just couldn't seem to get started.

St. Joseph	15	39	62	73
University	11	19	31	56

St. Joseph's went to the Heights to overwhelm University school, 73—56. Rich Holzheimer took credit as high scorer accounting for 14 points in a game in which the whole team saw action. Mike Doria was second high with 13 and a Jay-Vee recruit, John Zorman, scored 2 points.

Pat Dodson has the ball under the basket and tries for two.

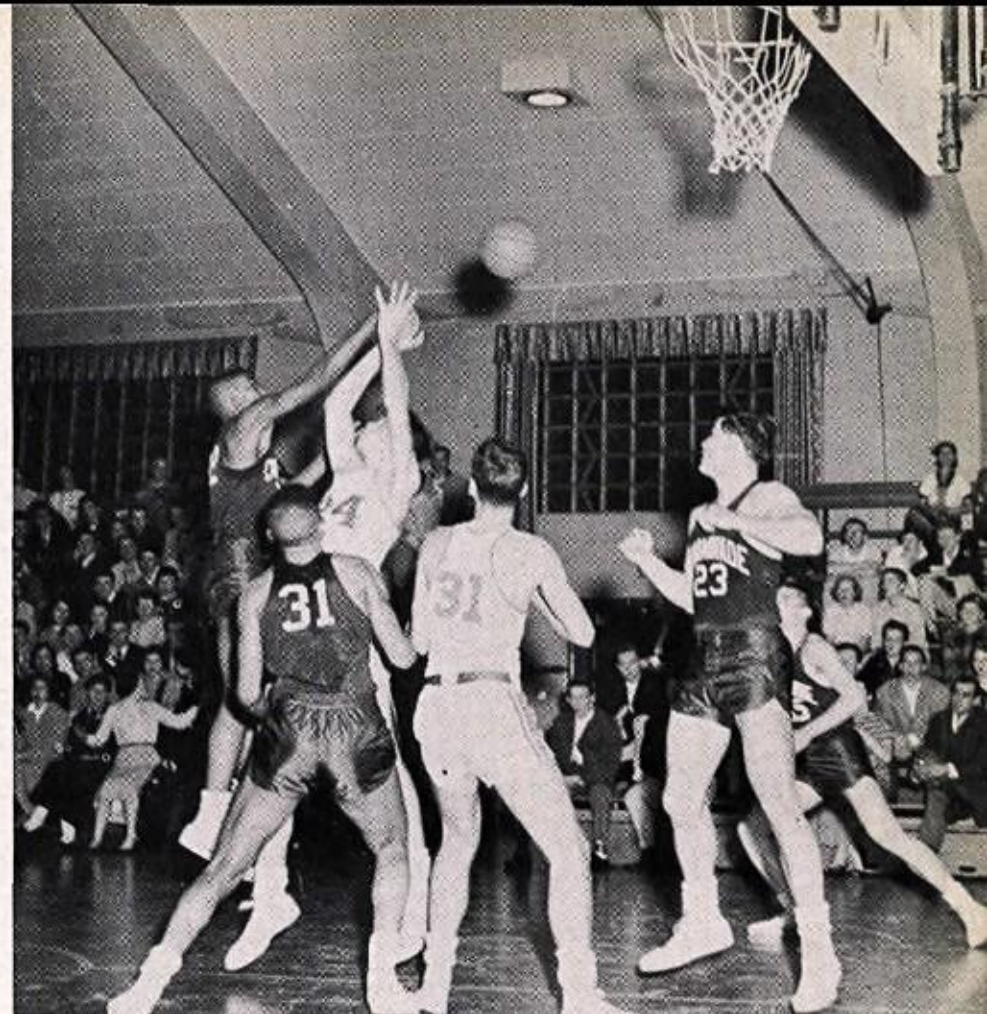

Jim Thailing manages to get one off in spite of his defender's big hand.

St. Joseph	9	12	29	52
North Catholic, Pittsburgh	12	35	53	75

St. Joseph's traveled to Pittsburgh to suffer defeat at the hands of the Trojans, 75—52. Although not much can be said about the game, Harry Britton was the only bright point, showing why he was voted the MOST IMPROVED player, scoring 19 points.

St. Joseph	16	34	50	65
St. Vincent, Akron	17	32	43	52

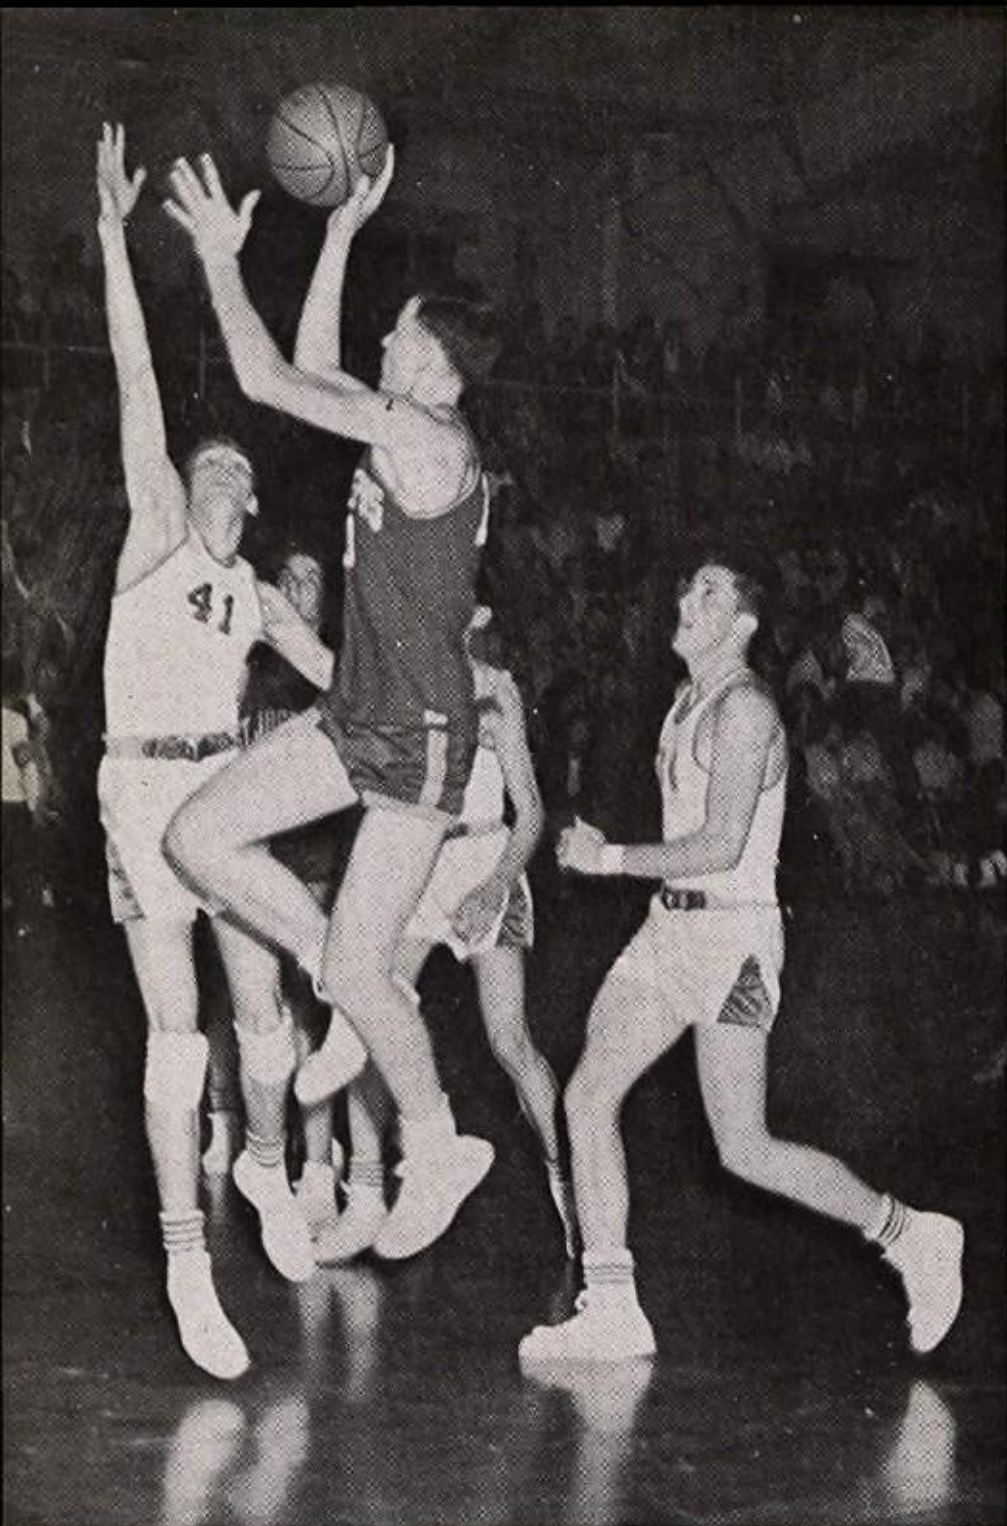

Proving that a good team cannot be held down, St. Joseph's recovered from their loss at Pittsburgh to defeat a tough St. Vincent team in Akron, 65—52. This team made it close in the first half, but the Vikings broke away in the third period to go on and win. Mike Doria led the scoring with 21 points, followed by Carl Bruer with 14 and Jim Thailing with 12.

Kenny Boyle deflects a Dayton Chaminade shot, (to a teammate, we hope)?

Harry Britton, Co-captain, shoots one of his favorite shots.

Kenny Boyle eyes the hoop and jumps for two.

St. Joseph	4	16	36	46
St. Mary's Akron	8	25	45	54

St. Joseph's suffered their third defeat at the hands of a powerful Akron St. Mary's team, 54—46. Jim Thailing, the team's leading scorer, and Mike Doria teamed up to share high scorer honors with 12 points apiece. They were closely followed by Ken Boyle Holzheimer with 10 and 6 points respectively.

St. Joseph	13	36	45	63
Hamilton Catholic	12	31	47	58

The 63—58 victory over Hamilton Catholic was one of the most thrilling games of the season. It saw St. Joseph's take the lead, lose it, then take it again to go on to win. Much of the credit for the win goes to Captain Jim Thailing who accumulated 21 points. It was because of his high scoring, team leadership, and play-making that he was awarded the MOST VALUABLE PLAYER trophy.

GETTING BETTER . . .

St. Joseph	18	32	47	63
Glenville	6	16	28	44

The 63—44 victory over Glenville High was one of the most important of the season because it was the first Senate team the Vikings faced, and a tough one, to be sure. The team played a slow, safe game and bogged down the tall visitors' racehorse type of play, increasing their lead all the time. The Underclassmen came through in fine style in this contest—Ken Boyle leading the scoring with 18 points, followed by Dick Holzheimer who tallied 16. If the Juniors come through in the same fashion again next year for Coach Guilfoyle, the Vikings will remain a respected name in basketball.

Jim "Dude" Thailing works himself into the clear and scores two.

St. Joseph	12	28	28	35
St. Edwards	11	24	40	61

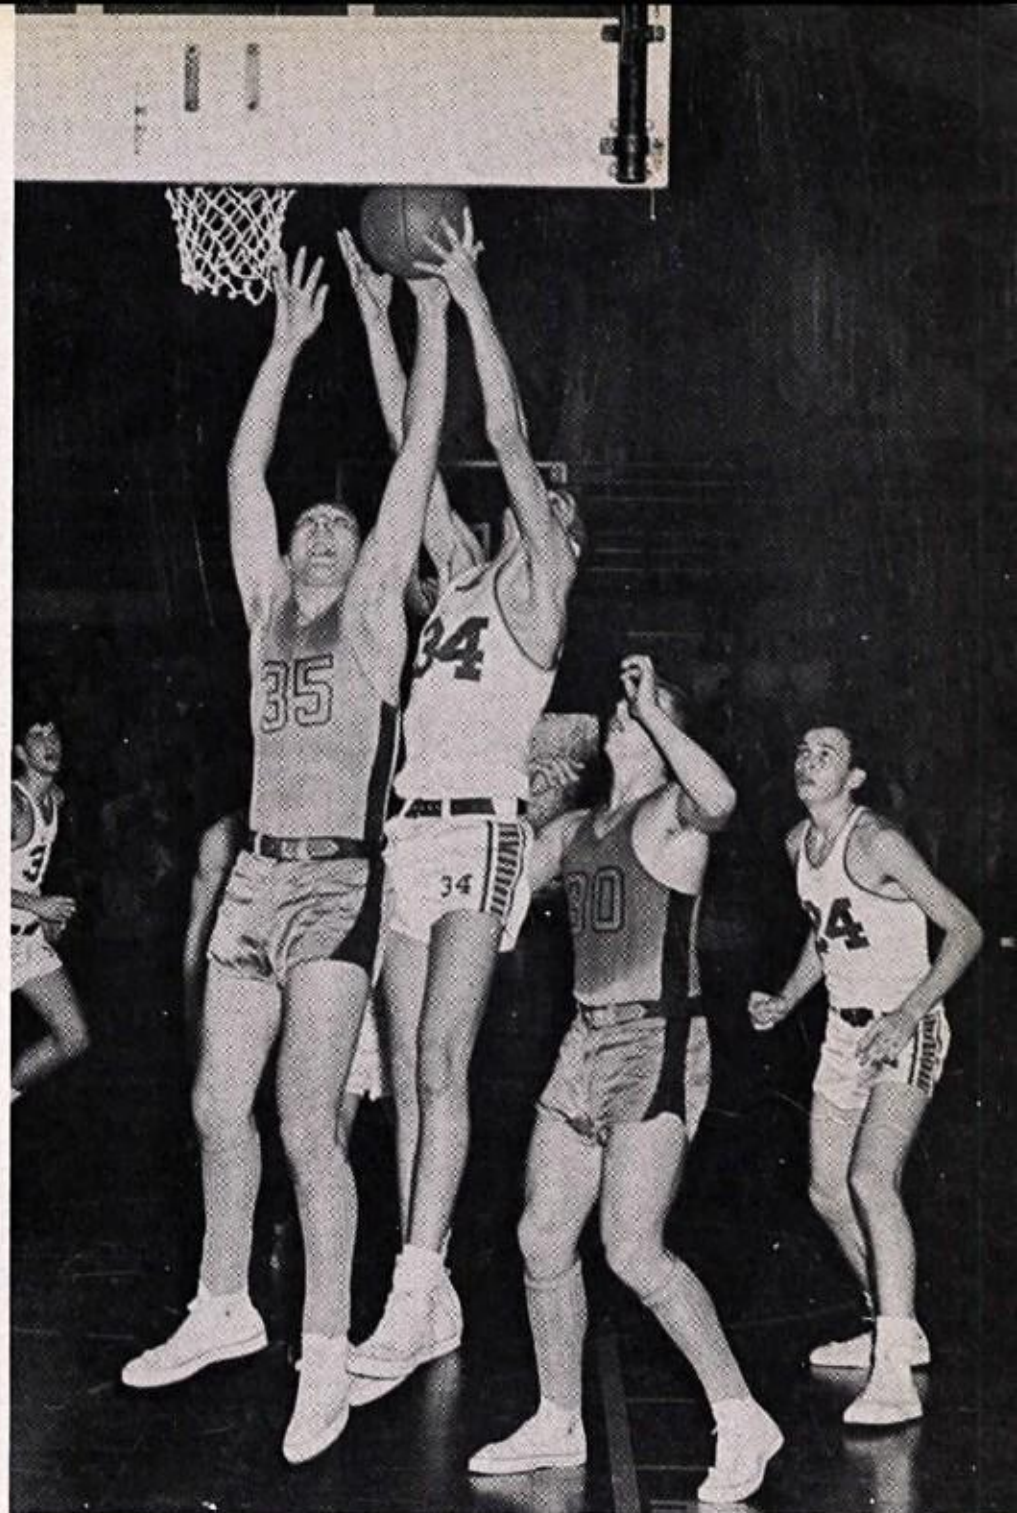

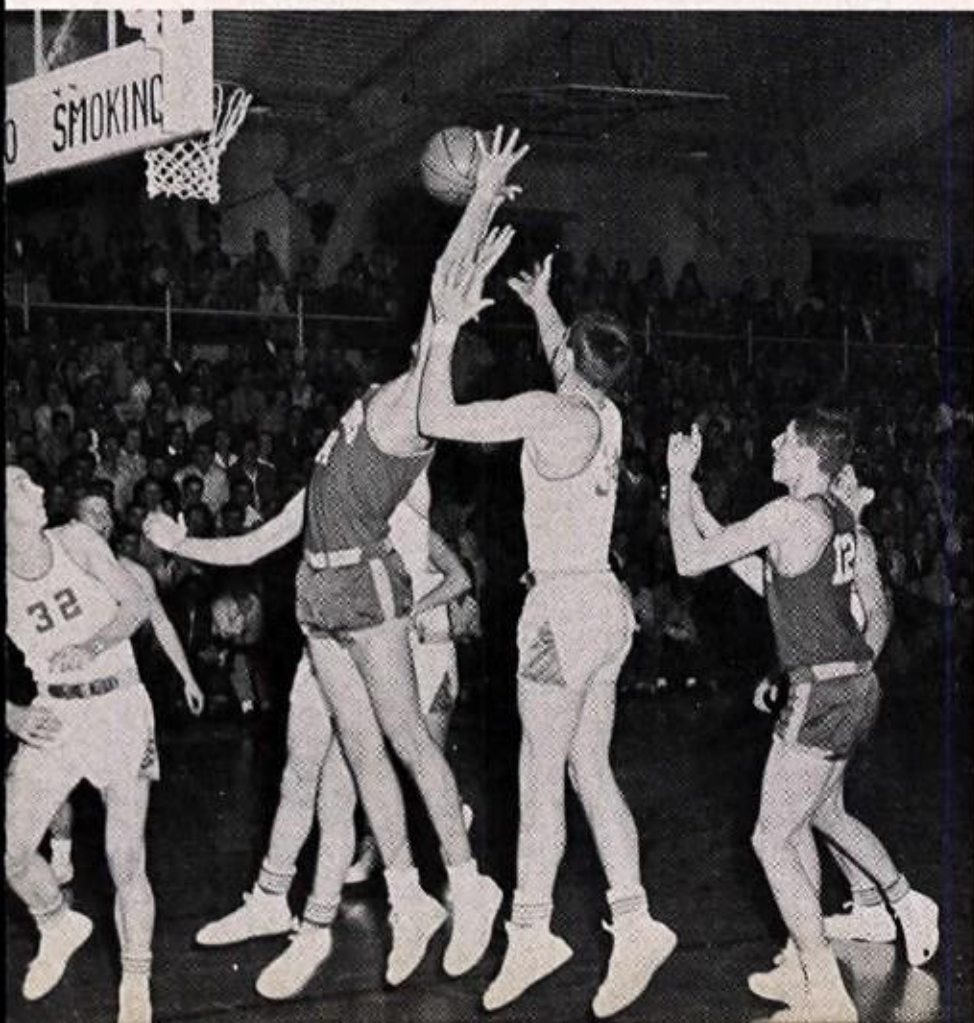

As the rivalry between the Vikings and the Eagles, in basketball, grows, it becomes more and more apparent that the biggest factor against St. Joseph's is a mental block which reads, 'never been beaten.' The team proved that player for player, they were as good as St. Edwards during the first half of in their second encounter. But, it seems the harder the team tries, the harder it is to beat the Eagles. The second half of the game brought on the team's downfall, when it seemed, just about every Viking pass was intercepted and resulted in an enemy score, and left the Vikings scoreless in the third period of the 61—35 loss. The Vikings fought hard throughout the entire game, as seen in Ken Boyle's 12 points. . . next year will be the turning point, predicts the typist.

... AS TIME GOES ON

St. Joseph	19	31	42	64
Canton Catholic	10	29	49	61

Jim Thailing, once again, gave ample proof that all the honors bestowed on him in the past year were well deserved as he led the Vikings to a close 64—61 decision over Canton Central Catholic. Jim made four out of five foul shots, as the team averaged 72% on free throws, and totalled 16 points. The big man, Mike Doria, was just that, as he carried most of the team's burden in the hectic fourth period, and finished the game with a grand total of 14 points.

Everybody goes after the ball against St. Edward's.

Mike Doria really stretches to practically steal the ball from his opponent's hands.

St. Joseph	15	30	48	66
Fairport Harbor	9	27	35	43

In the regular scheduled game of the season, Jim Thailing tied Mike Doria for high scorer with 17 points, to give him a season total of 229 points, compared to Mike's 226, giving him the high scorer title for the "55—56" campaign. The bench was cleared in the 66—43 victory—a sort of preview of next season's Varsity. Mike Doria seemed to have been given most of his 17 points, none of them resulted from the 12 attempted free throws awarded Mike.

The only loss was to that perennial jinx, St. Edwards, which was twice avenged later on in the season. Since golf was initiated at St. Joseph's, the team's three year record is 41 wins, 2 losses, and 1 tie.

Finishing third in the District Meet at Highland with a total of 346 did not discourage this determined foursome. They went on to win the Metropolitan League Championship for the second consecutive time. But real triumph came when they won the famed News Tournament with a total of 337 to edge out St. Edward's and Willoughby, who had both previously played in State Competition.

Dick Thomas practices the disc throwing for a forth coming meet.

Coming on the heels of a brilliant basketball season, a surprising but excellent thin clad team was unveiled by St. Joseph. While Coach Faix expected a good season, and the boys themselves looked for 1956 to be a good year, few thought they would attain the heights they achieved. Finishing with an outstanding record of eight wins and a solitary loss in dual competition, the highlight of the season occurred at the Catholic Invitational Track Meet on St. Joseph's track. The Vikings won this meet which they hope will become an annual affair. St. Joseph's record in dual competition was outstanding in the area. They won thirteen consecutive meets before falling under a strong Collinwood cinder team.

Another pleasant surprise was the consistency with which the Vikings smashed school records. Every meet produced two or three new records.

The team looks ahead to another great year with hopes of state contention.

George Kudokas clears 5' 6".

PER MATREM AD FILIUM . . .

Senior Sodality Officers: Michael Grdina—Prefect, Jerry Apanovitch—Secretary, and Michael Reaume—Treasurer.

The Sodality is an extra-curricular activity, but the only one in the school that has a spiritual purpose behind it. It is the highest ranking activity here at St. Joseph's. All other activities are suspended when Sodality meetings are held, i. e., every Monday from 2:30 to 3:30. Each division has its own unit and from time to time, joint meetings are held, at which each unit informs the other three of what projects they have undertaken and reports what success and progress they have achieved. Each unit has its own individual Moderator, whereas Father Carlen is Moderator of the entire organization.

KNIGHTS OF THE ALTAR . . .

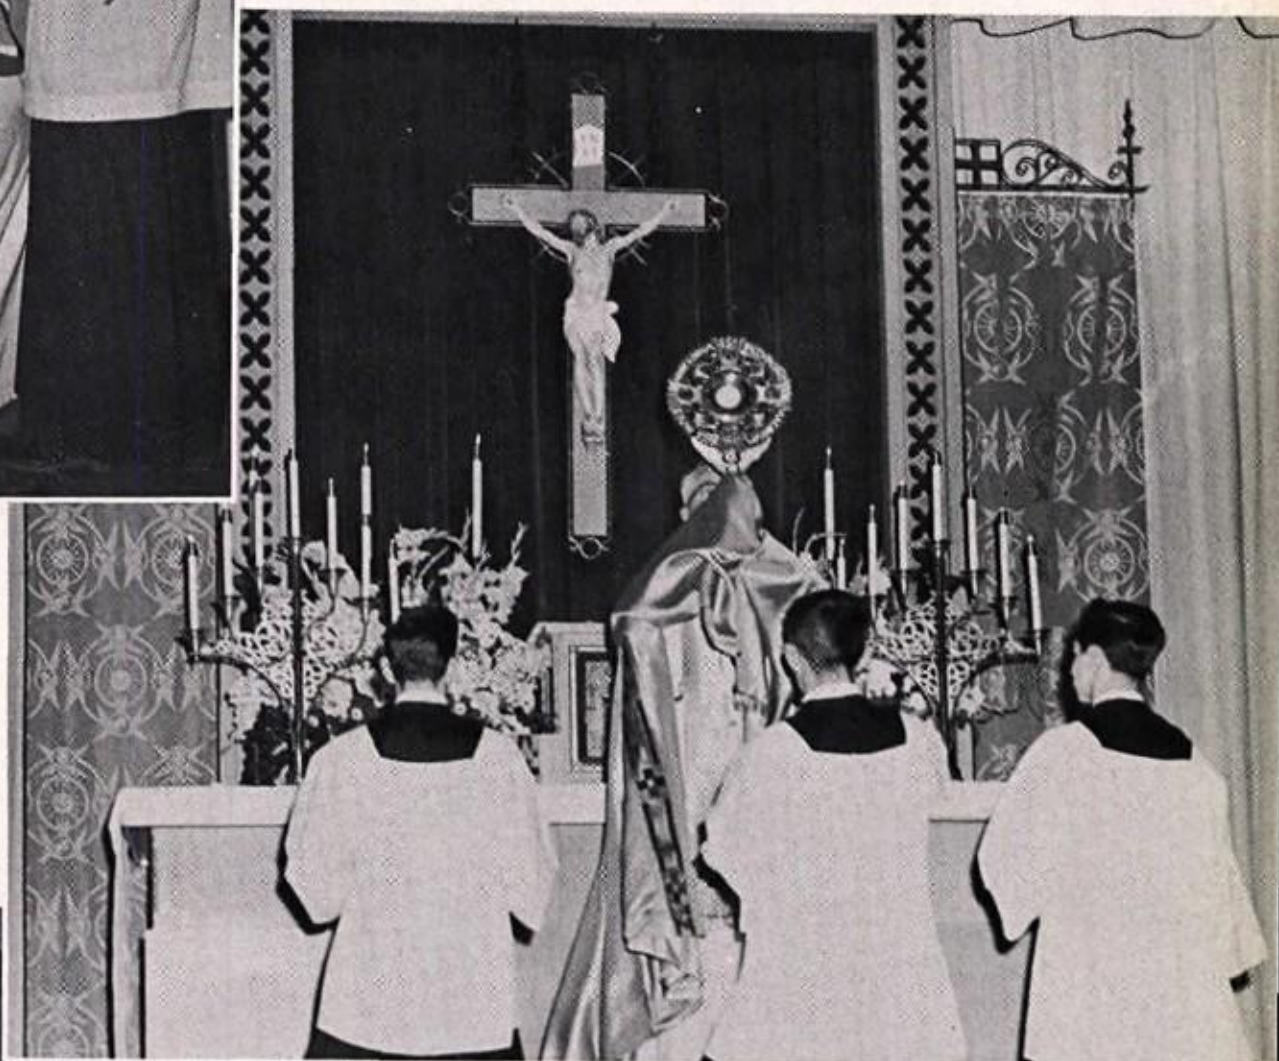

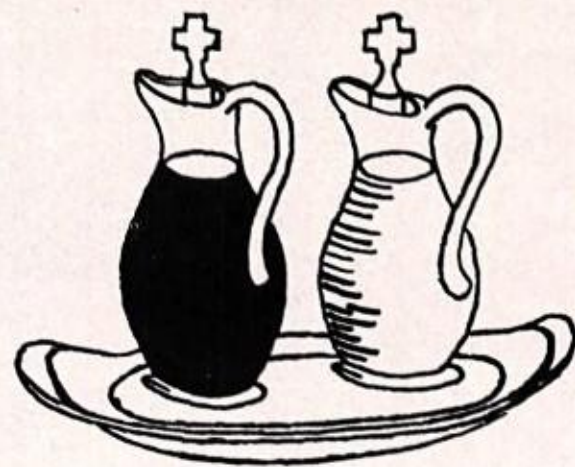

The Knights of the Altar play a very important role in the spiritual functions of the school. Their most important activity is serving at daily Mass in the school chapel and when Benedictions are held after school. They serve also on the occasions of an assembly Mass and on special Feasts, in the Brothers' Chapel, especially during the Holy Week ceremonies. This year they served at the consecration of the school chapel altar and that in the Brothers' Faculty House.

RADIO CLUB . . .

Look out, Norm; he's got his eyes on you!

Two "hams" investigate the wonders of sound.

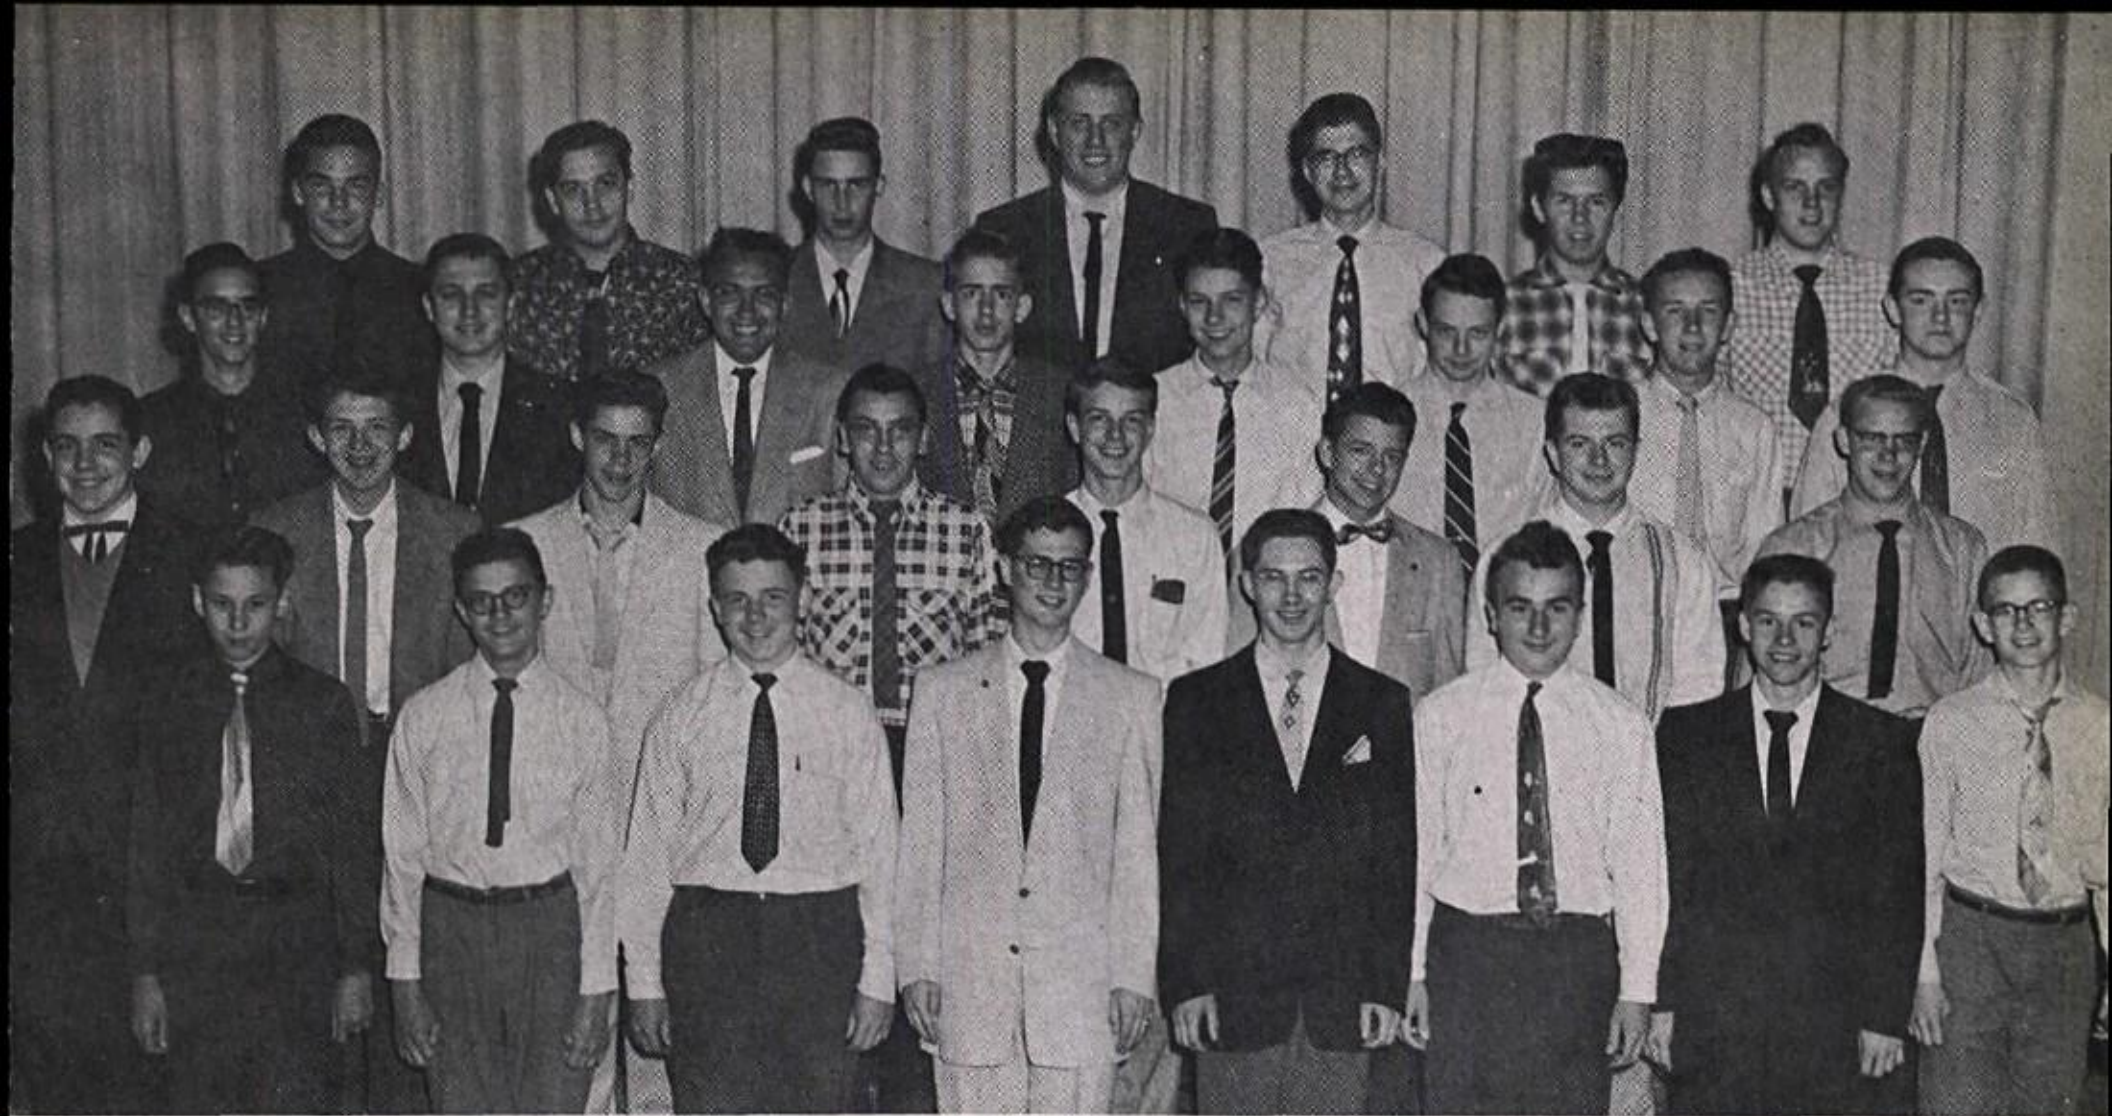

An interested class . . . but there is one in every crowd.

The Radio Club was one of the most active groups on the school's organizational roster. Engaging primarily in aiding members to obtain further certification, the club also found time to install a transmitter for North Catholic High School in Pittsburgh. While traveling from Cleveland to North Catholic, the members operated mobile radio units, keeping in constant contact with each other on the road. During the year, the Club also tested Civil Defense transmitters and conducted frequent schedules with amateurs in South America.

The Club does not end its session at the close of school, but continues to operate giving the members wonderful opportunities under the expert guidance of Bro. Michael Stimac, Moderator.

The Radio Club prepares for an expedition to Pittsburg.

St. Joseph's Band has progressed from the status of an up-and-coming organization to a full-fledged asset for both the school and the student body. This year the members have participated in concerts, rallies, assemblies, and parades. Also for the first time, the band appeared in uniform at the Collinwood High School

football game.

Each year the Band has acquired new members—"young blood"—to keep the Band full of spirit, ready and willing to become bigger and better. Brother Stupka and Brother Aaron are the moderators and Mr. Pace is the Director.

THE VIKING STAFF

The "Viking" is the name of the Saint Joseph's Yearbook. It is a historical account of the school year in picture and composition, which is highly treasured by every student. It contains his picture, the activities he participated in, and it will afford many happy hours of fond reminiscing for years to come.

The Staff is mainly composed of seniors, although underclassmen joined the staff this year, and representatives from the underclass divisions, under the direction of a moderator. These students, who must maintain at least an 85% average in their scholastic endeavors, have the opportunity to receive practical training in journalism, art work, design, lay-out, photography, typing, book-keeping, exactness, and originality.

Since late August the Viking cheerleaders were giving of their time and effort to the cause of preparing for the coming athletic season. Working on both old and new cheers, they were able to become so proficient as to merit the wholehearted acceptance of even the most hardened spectators. Their presence added greatly to the spirit of the occasion.

And concluding together, their gyrations were popular with the crowds.

BOOSTER CLUB . . .

An obscure but active group that functions within the school is that of the Booster Club. Drawing posters for school events is their main job and one that has been done exceptionally well, as the comments of all who saw them will testify. The entire school thanks them for their past service and looks to see their posters in 56-57 again dot the halls.

Hard at work, their efforts will result in the much admired posters seen throughout the school.

Slowly but surely, St. Joseph students have learned to appreciate the advantages of a school library, source of unlimited information and opportunities for leisure. Whether it is research for History assignment or merely a popular fiction book, our well equipped library can provide for both. The library is constantly acquiring new volumes to fill its ample shelves and to insure its position as the storehouse of the Viking intellect.

SCIENCE HONOR SOCIETY . . .

Representing the finest in scientific talent at St. Joseph, this group devoted itself to further understanding of the many and complex problems of this deep and fascinating world of technology.

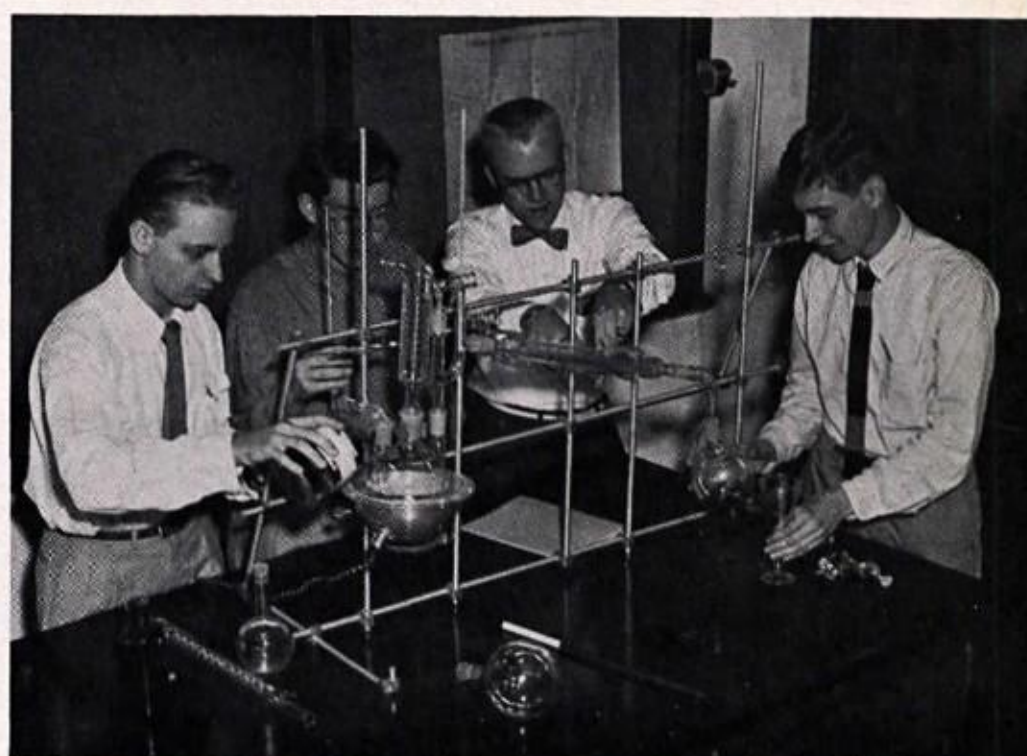

One of their major efforts was directed at the creation of a twenty foot balloon which they launched. This gave them a better understanding of the mystery of flight and other invaluable knowledge.

Under the leadership of Bro. Koller and their president, Mike Reaume, they accomplished many such experiments and the final fruits of their work will only be seen in the future.

All of the members took part in building projects and honors were won at both the Carroll and Kent Science Fairs.

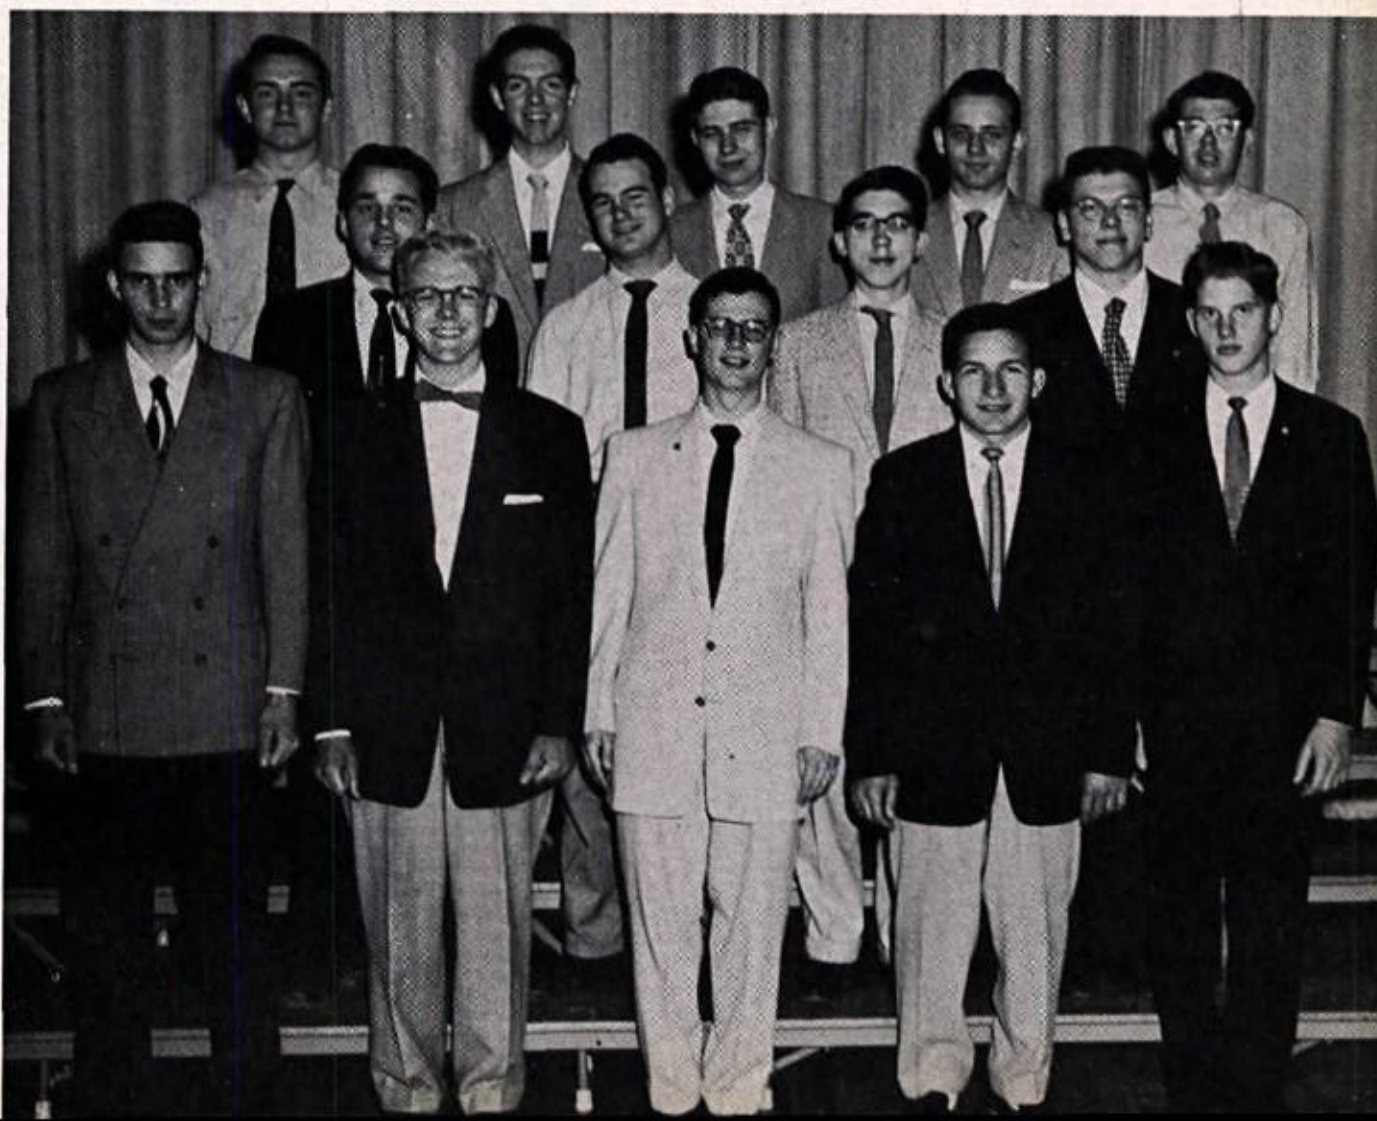

The Science Honor Society spent many hours after school pursuing their projects.

Their anxiety is overpowering as they wait for the first sample from their very own "still."

SERVICE CLUB . . .

The Service Club is unique in this very special way: its purpose is to supply help to the school in all its undertakings. In return for this, they received only the knowledge of having done something invaluable for their school; perhaps the best reward possible.

At the Proms, dances, Fall Festival, card parties, athletic events, and on innumerable other occasions they made their presence known in an obscure way: keeping out of the limelight, simply doing their job.

This group was organized to end the problem of securing volunteers to fill the various needs of the school. Its formation was a suitable solution.

Giving invaluable service at social functions, the service club here prepares coffee for thirsty card players.

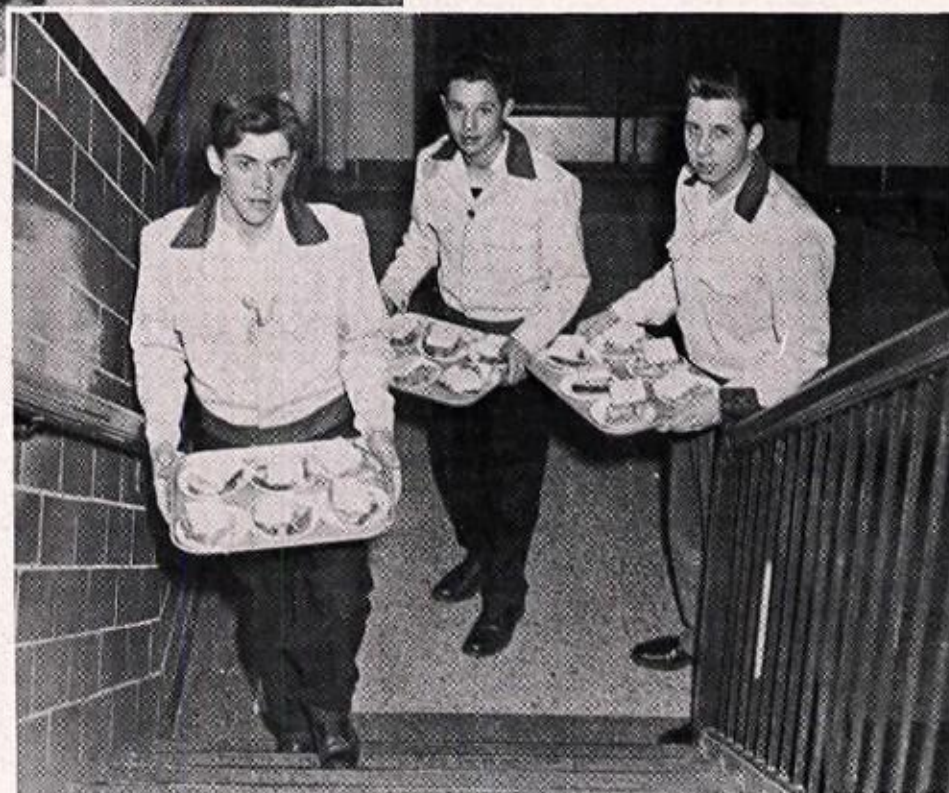

Aiding the cafeteria staff at one of the various athletic banquets, the mothers pitch in at the dishes.

The Service Club does have its compensations.

Another Service Club function was dispensing refreshments at the Proms.

Half of that ice cream is going to melt and the other half will be eaten by the time they reach the top of the stairs.

Skapura, Boyarsky and Wohlge-muth set up the projector for the occasion.

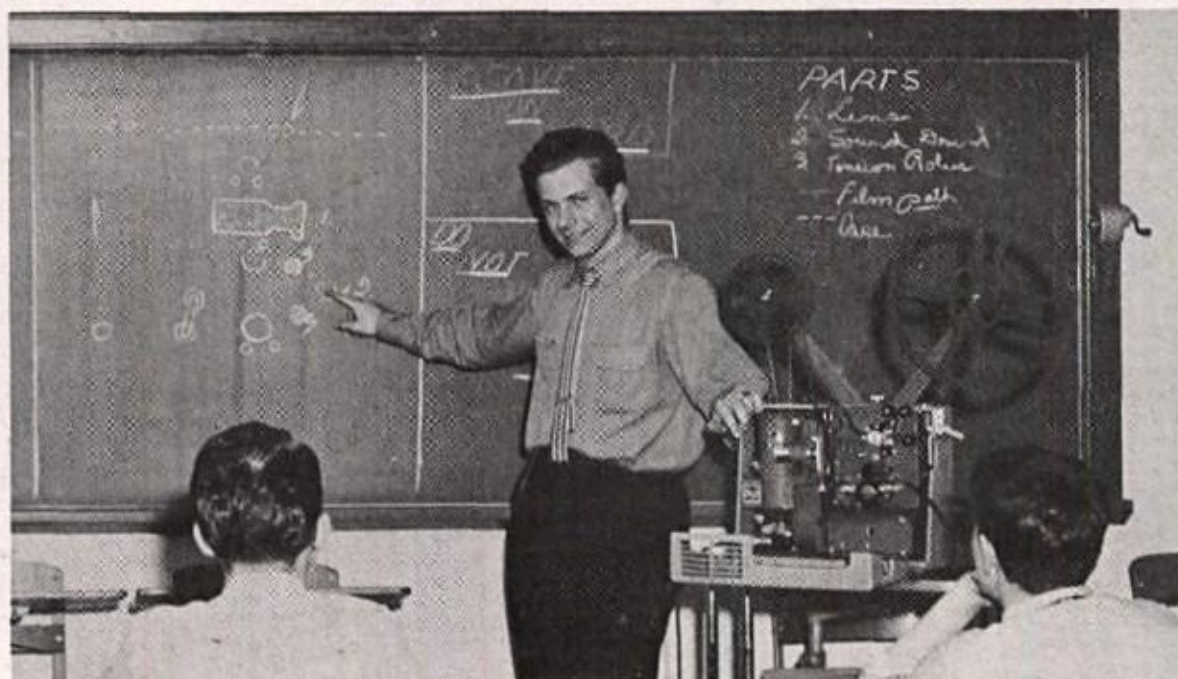

J. Martin and A. Kazlauckas make a tape recording of Beetho-ven's Concerto in G minor.

AUDIO-VISUAL SERVICE CLUB . . .

One of the best ways to enliven any class is to present actual facts and events. Interested and earnest students result from such teaching methods. The A V S C, under the direction of Bro. Glemet, was responsible for this phase of variety. It was through their efforts that films and recordings, ranging from classic to highly technical works were presented and appreciated greatly by the students. Their time and energy gave the school a valuable assist as well as a source of experience in operation of sight and sound machines.

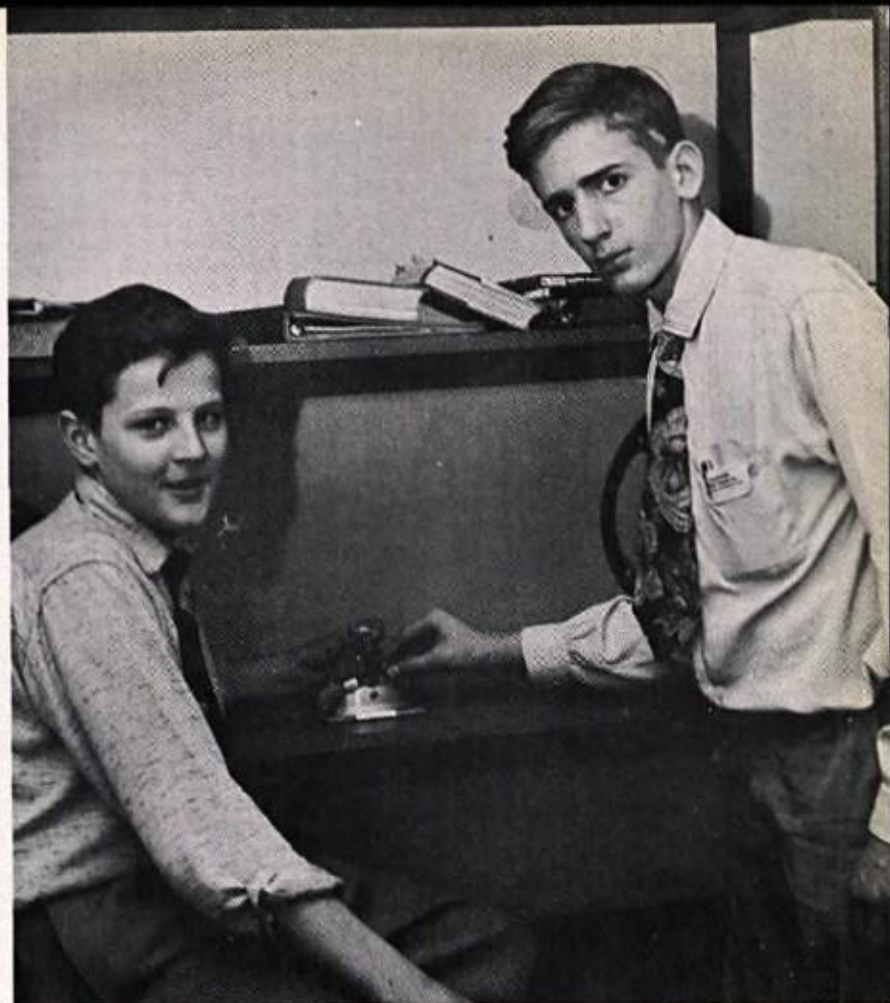

Bro. Glemet informs E. Marinic, the Club's Film Co-ordinator, of a special request from Mr. McGauley.

President L. Fleckenstein explains the threading of the various types of film projectors to his club members.

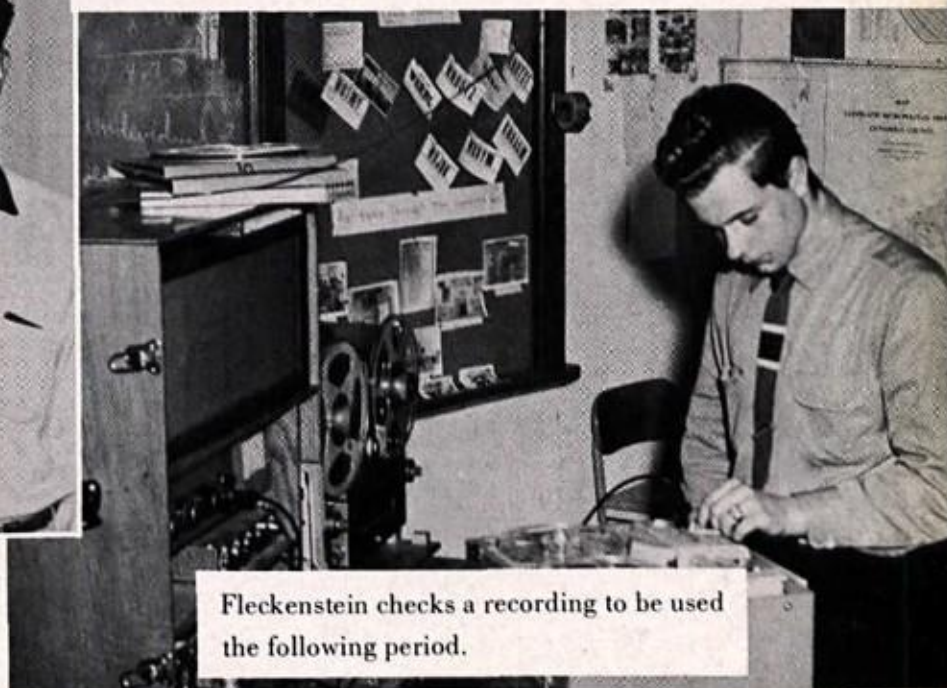

Repairing machines was invaluable experience for these students.

GLEE CLUB . . .

The Glee Club, composed of fifty-one members, has its own Homeroom, "Norsingers," now. Practice sessions take place each morning during homeroom period five times a week. This group has come a long way. This past year, the Glee Club furnished its warblings for the Catholic Youth Program, the patients at the Glenville-Euclid Hospital during the Christmas season, the St. Joseph's Christmas concert, various ecclesiastical functions and the Annual Choral Sing held at Hoban-Dominican High School.

The Glee Club, well received by all, shows the result of their long and arduous practice sessions.

Engaging in argumentative discussion with local school, training novices in the fine forensic art, and demonstrating methods for new High School debate groups, all marked 1956 as one of the busiest in the Debate Club's history. Bro. Glemet's and Mr. Bruening's boys showed themselves real masters as many took prizes against top competition, both in individual and team clashes. Because of many and well trained underclassmen and experienced upperclassmen, high hopes can be expected from the 1956—1957 orators.

Jaska and LaGank admire some of the History Club's projects.

The History Department of St. Joseph has organized a History Club under the direction of Bro. Richard Dineen and Mr. John DiCillo. The organization had for its purpose the furthering of interest and knowledge of history for future College students. Membership into this group was obtained by students' making formal application and with approval of Moderators. Activities of this group included field trips, reports and special reading assignments.

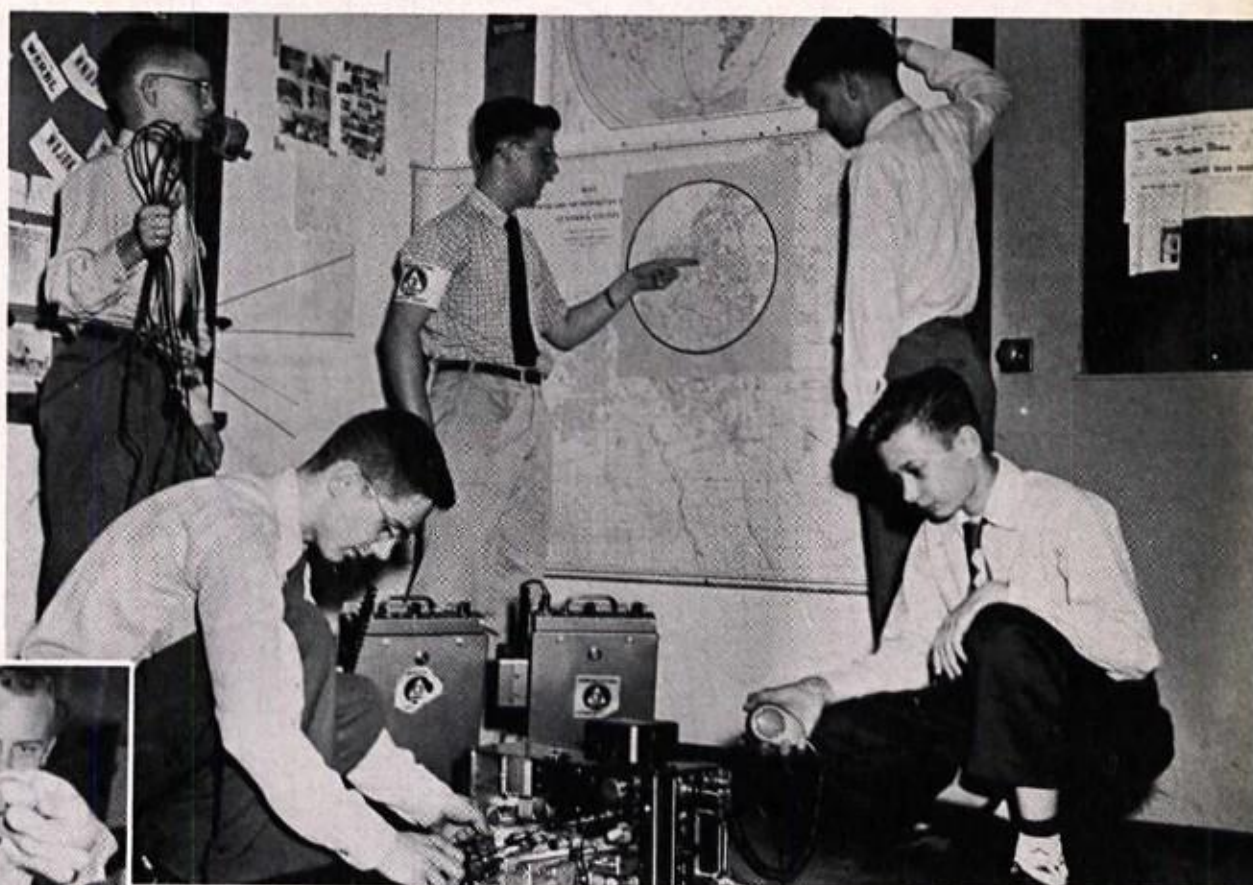

Huber and Centa take over the explanation for this particular meeting.

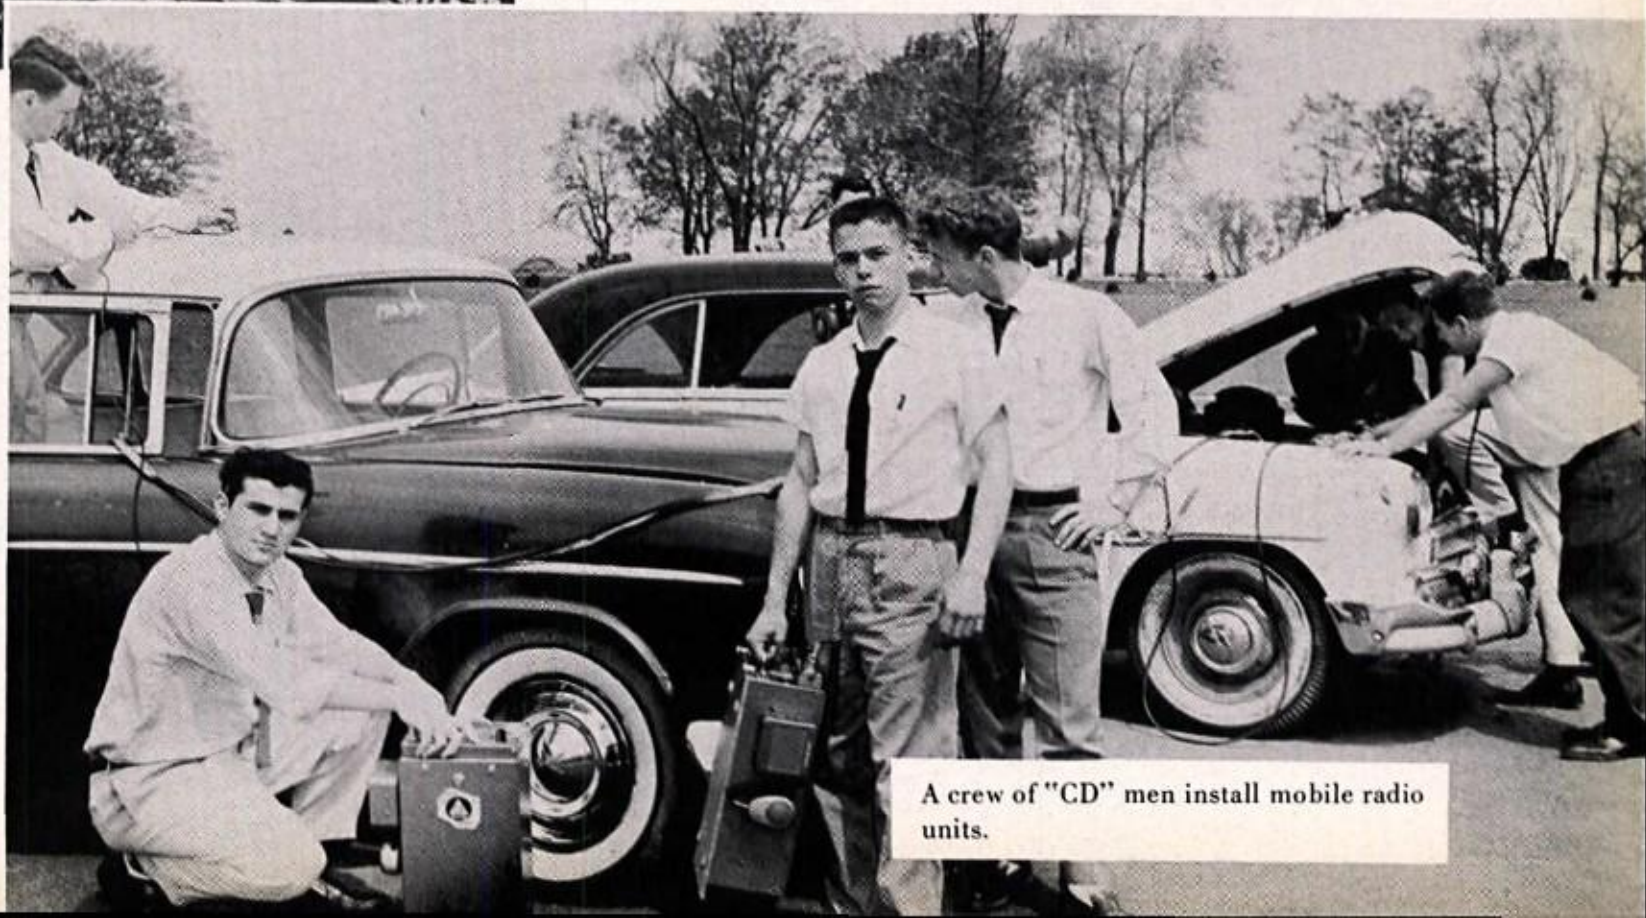

CIVIL DEFENSE . . .

An organization established at St. Joseph's to work with the city in case of an emergency. All members, products of the school's Radio Club, are well acquainted with the "ins and outs" of short wave sets. To remain active, each member must make regular reports to central headquarters in town.

This course also prepares the boys for maritime service. This organization is under the direction of Mr. D'Alanne.

MOTHER'S GUILD . . .

The Mother's Club devotes itself throughout the year to the furthering of the cause of the school. They do this through their support of students functions and personal contributions in the form of work and time. In conjunction with the Dad's Club they sponsor each year, for the purpose of raising funds, the Fall Festival. This event has reached the point where it is a much looked for and well attended affair.

DAD'S CLUB . . .

The fourth year of the St. Joseph High School Dads' Club has seen it grow to a certain superiority of manner and bearing. By means of a slow torturous struggle with that dragon called "attendance," they have changed in mind, body, and spirit. As a result, quality is present where quantity fears to tread. Armed with this intangible and practically undiscernable quality, they seek new worlds to conquer. With heads raised in unison, the annual picnic and the Fall Festival were passed with success, surpassing the previous years, but to no avail as these indestructible creatures called "Dads" are never satisfied,—they feel that if they set their mind and body up another notch or two, the club will grow and develop and be the envy of Catholic Secondary Schools.

With increased membership they should forge ahead and take their place as constituting one of the chief sponsors of new ideas at our school. Enriched by capable officers and as always the efficient and religious guidance of their esteemed Moderator, Brother Herman Thaner, together with the backing of the entire faculty and working force of St. Joseph's, they have come a long way towards that goal set by their founders.

SEATED: Mr. William Kleinhenz, *Vice-President*; Mr. George O'Brien, *President*; Mr. William Koss, *Secretary*; Mr. Anthony Immarine, *Treasurer*. *STANDING:* Brother Herman Thaner, *Moderator*.

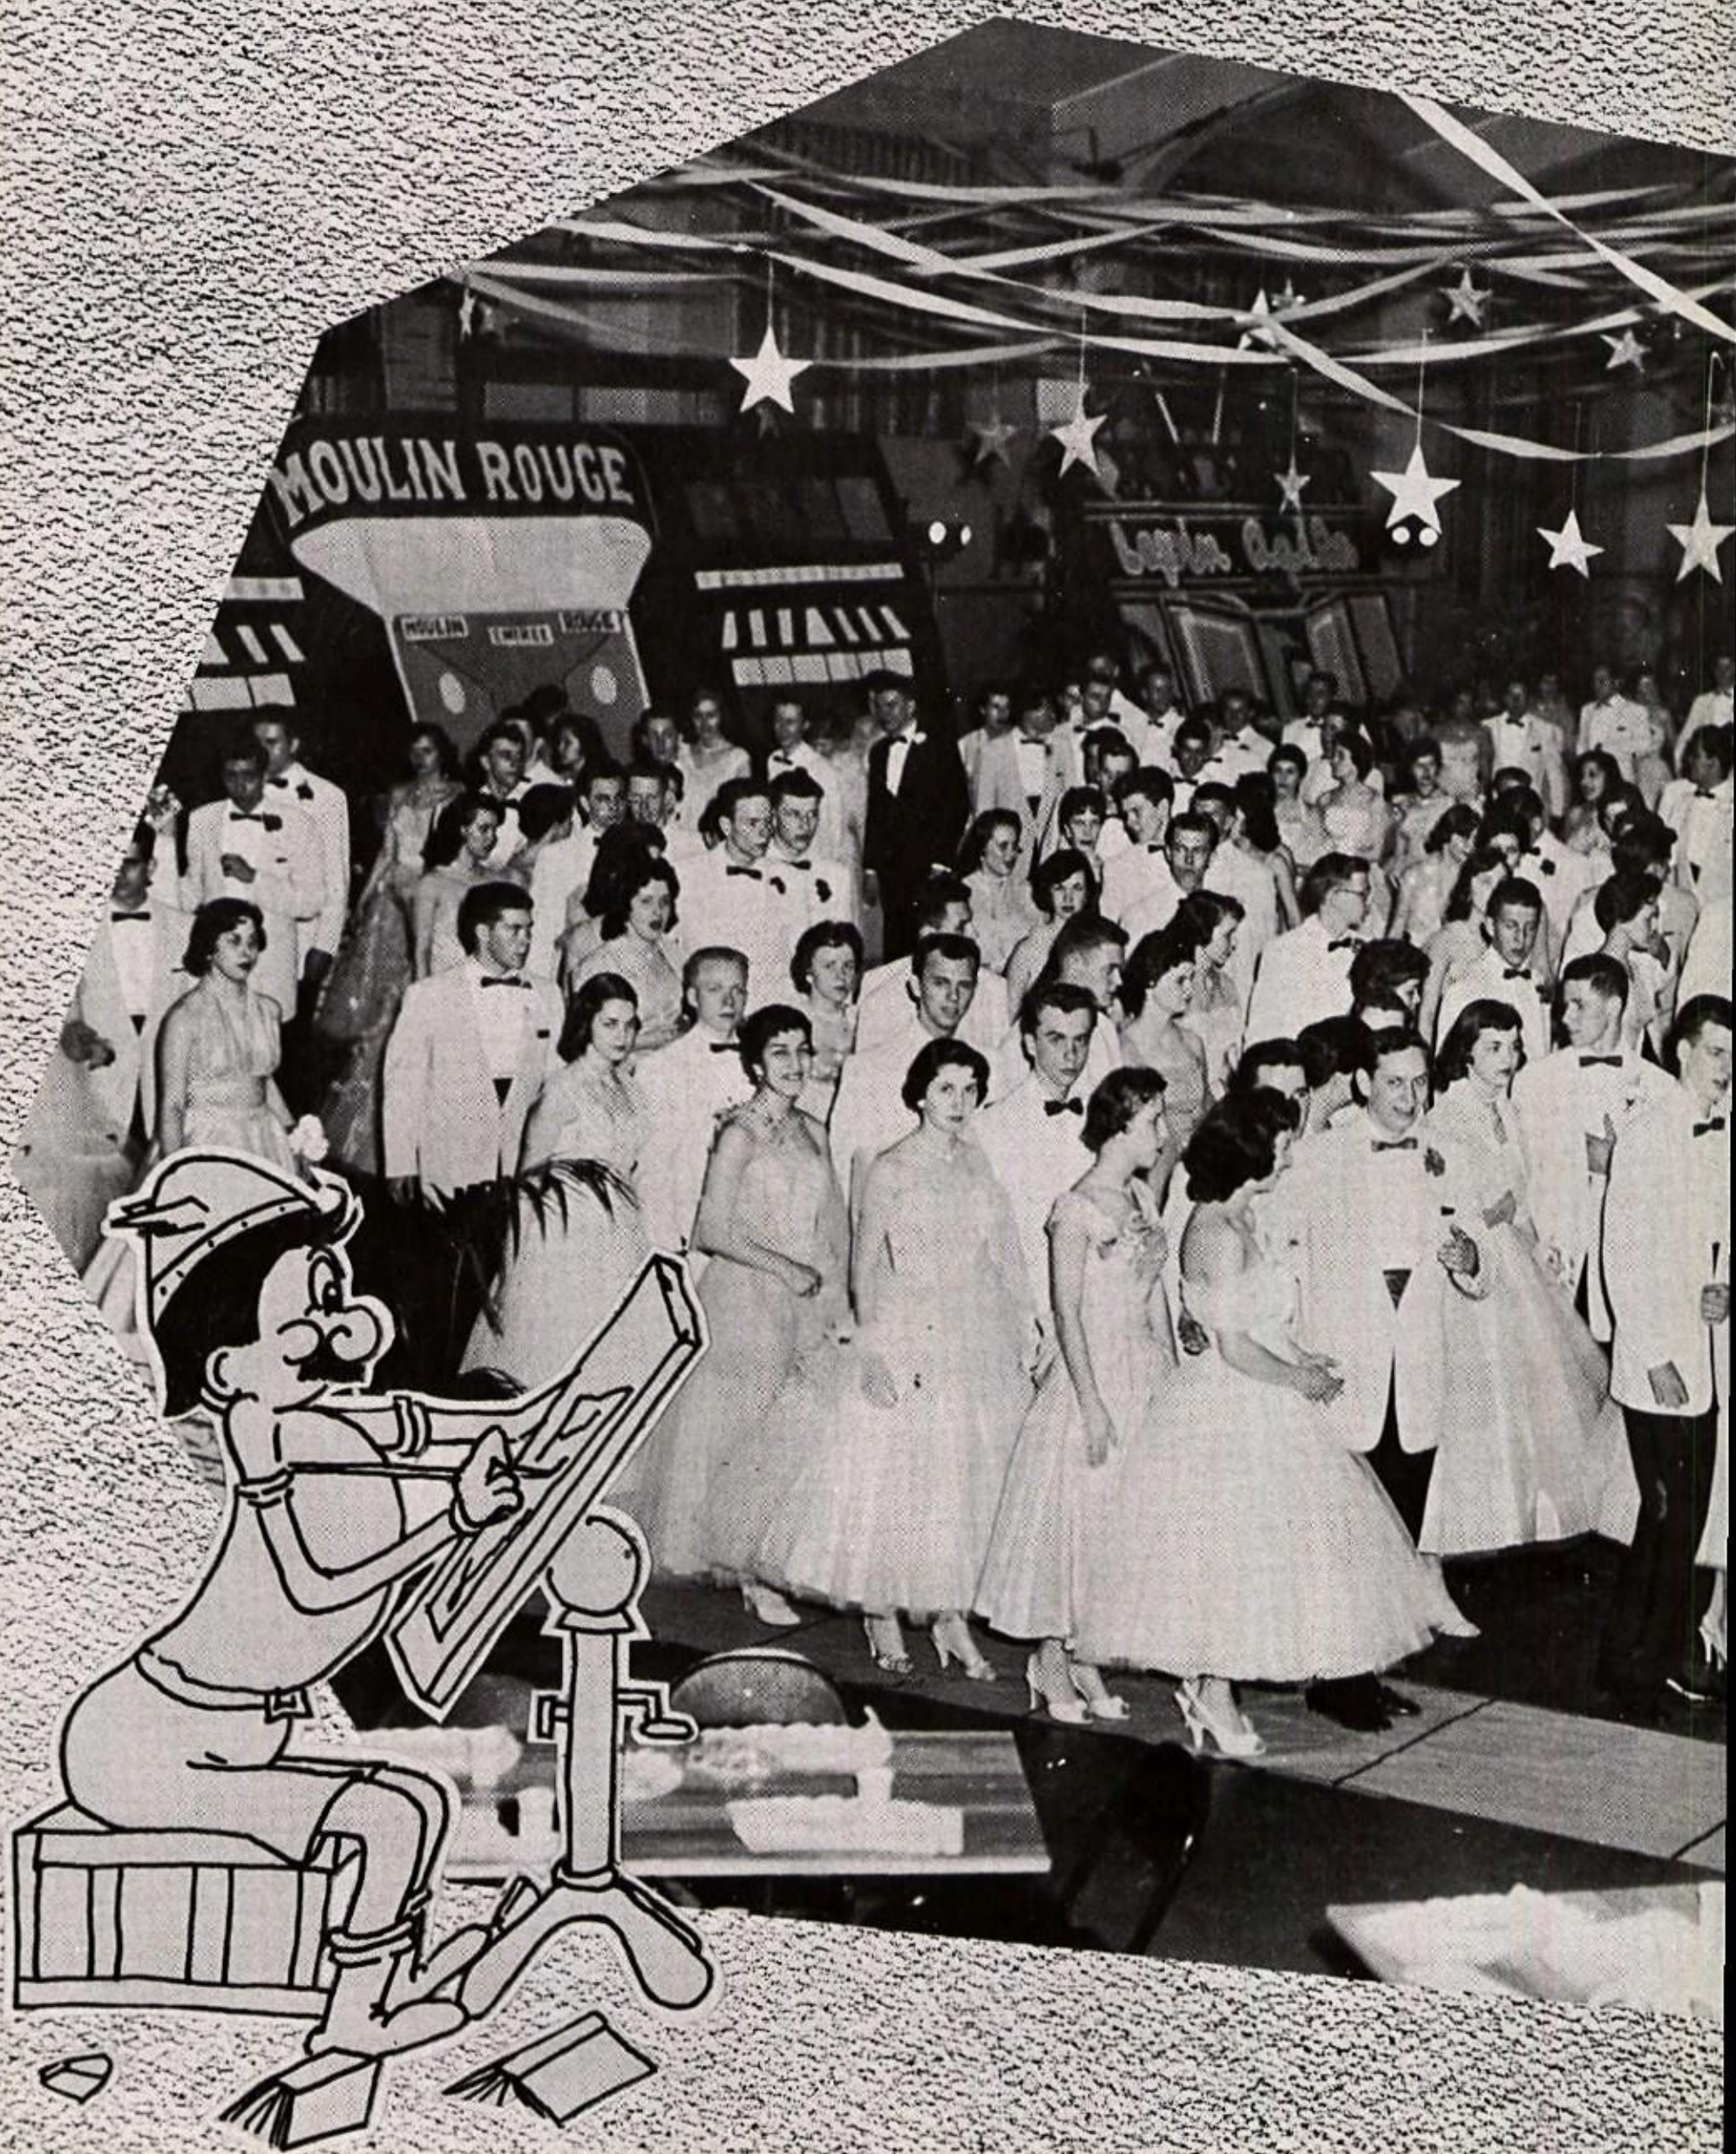

The "Dad-Son-Brother" Bowling League Champs: John Swyt, Mr. Swyt, Bro. Carroll Wentker, Mr. Wisne, and Robert Wisne.

Our cameraman takes a "tasty" shot at the refreshment stand at the Fall Festival.

Mr. Thomas, Bro. Grilliot, Bro. Abel get a big charge at playing Musical Chairs at the Christmas party.

Features

"LA BELLE FRANCE"

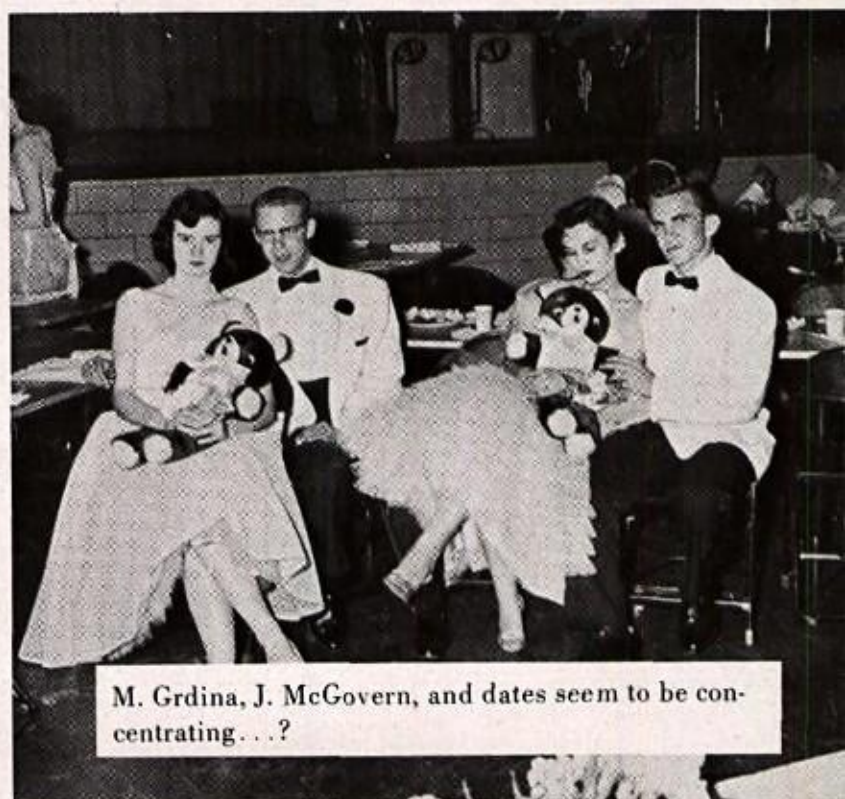

SENIOR PROM

Pete says, "Everything looks great" . . . Father Weisner looks on approvingly.

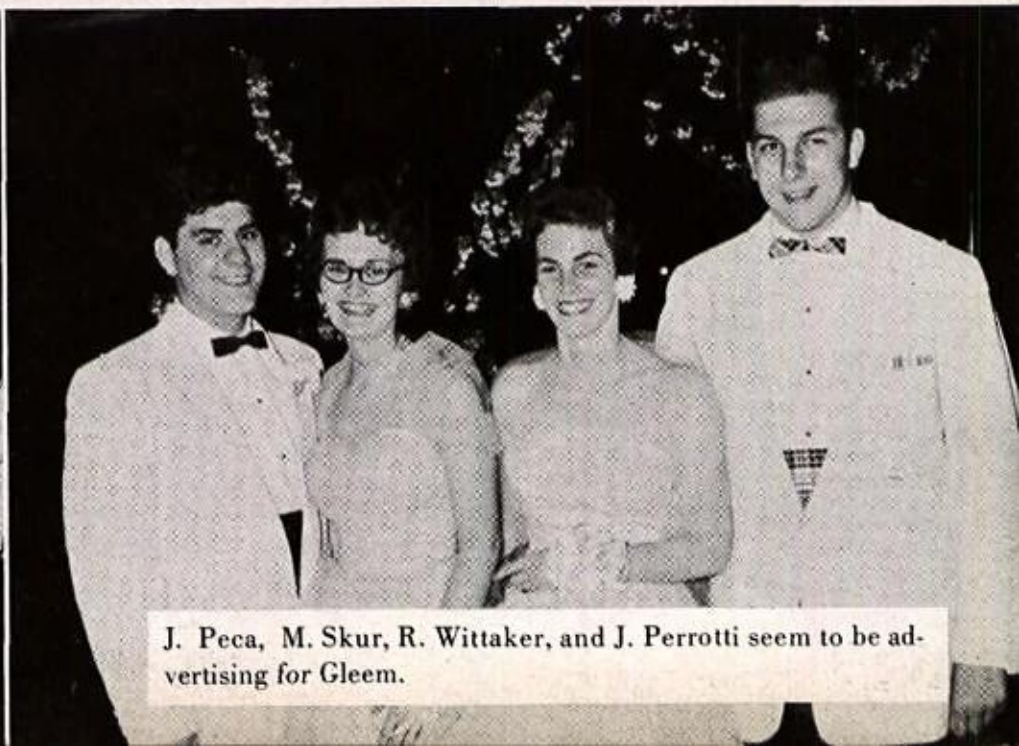

"I could have danced all night . . ."

M. Grdina, J. McGovern, and dates seem to be concentrating . . . ?

Many nightclubbers frequented the L'Ecluse.

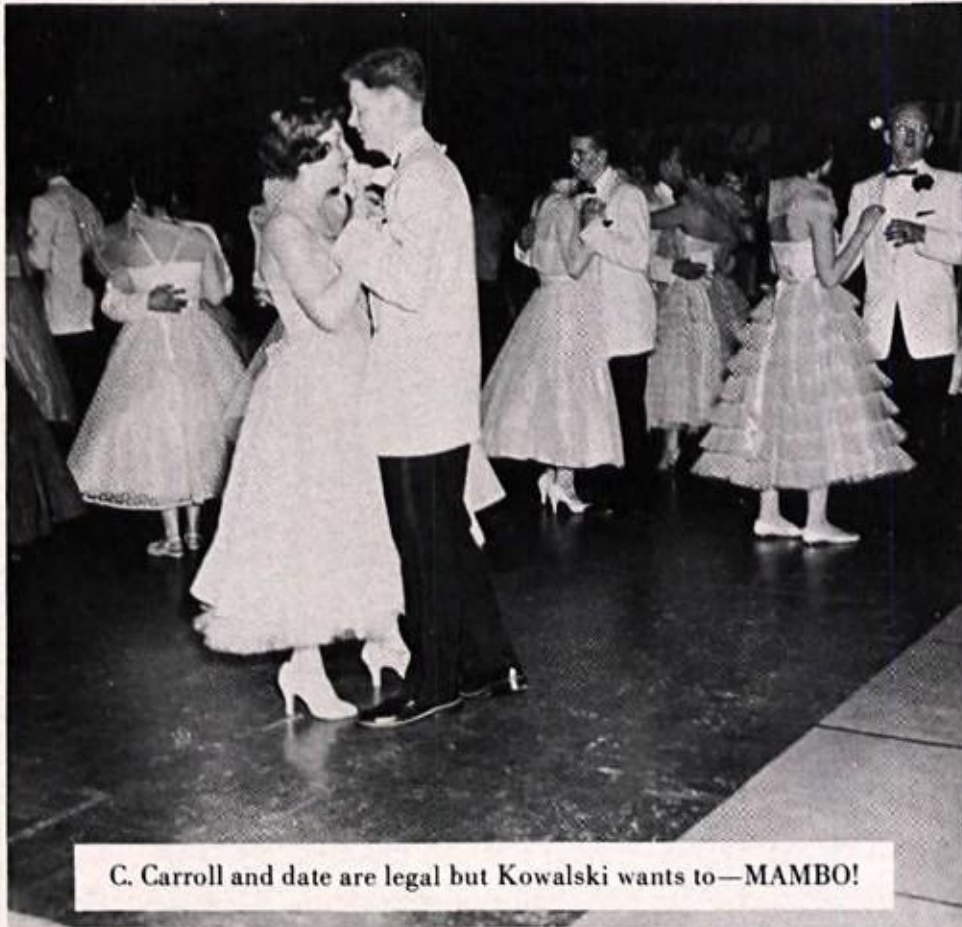

J. Peca, M. Skur, R. Wittaker, and J. Perrotti seem to be advertising for Gleem.

Mac's looking like a champ.

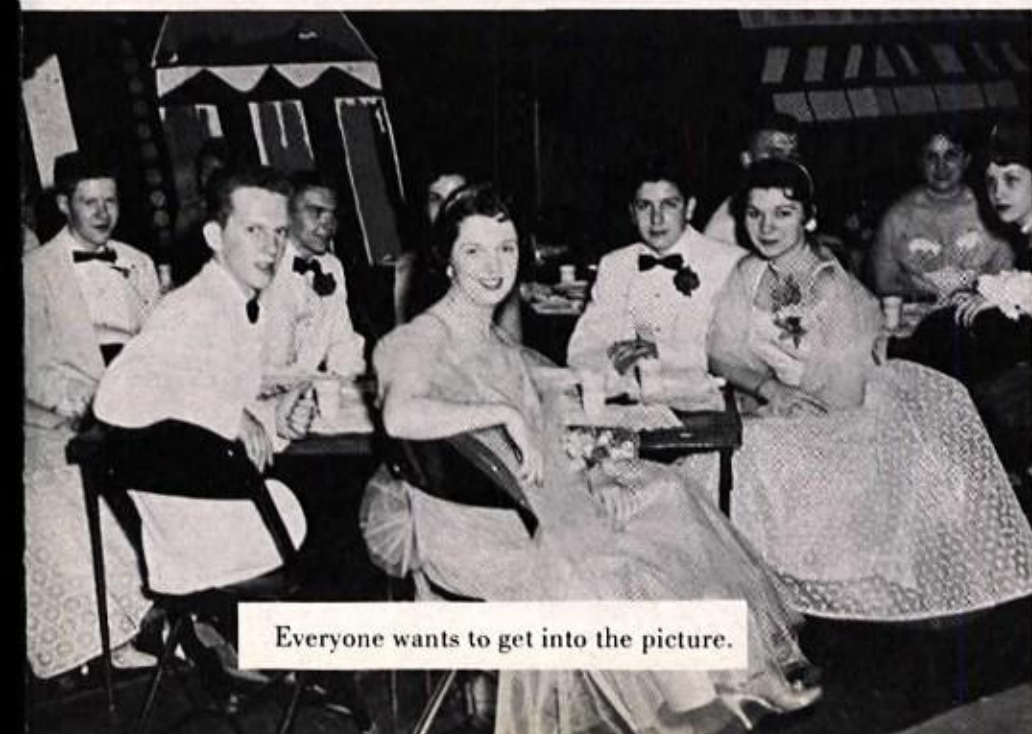

J. Stepaniik, Joyce Krejci, Glynis Teal, Teddy Bear, and C. Ballish take time out to pose for a picture.

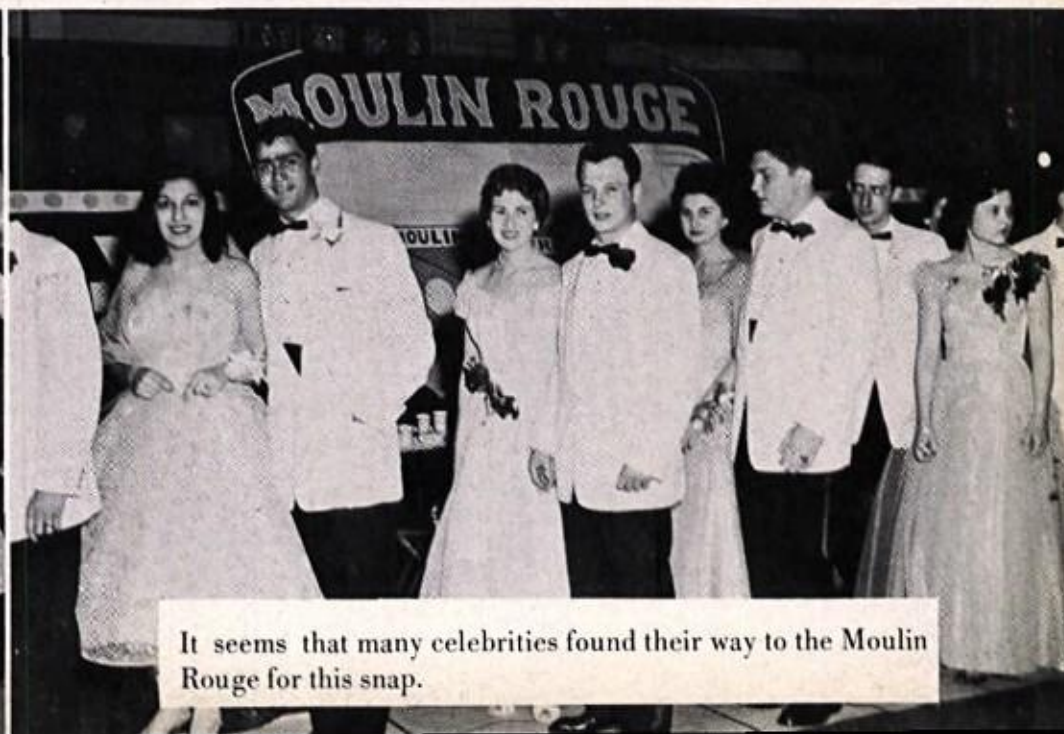

C. Carroll and date are legal but Kowalski wants to—MAMBO!

They were having a hot time at the Le Coucou that night.

Everyone wants to get into the picture.

It seems that many celebrities found their way to the Moulin Rouge for this snap.

The teddy bears made a hit with all.

What's so interesting in the corner . . . ?

And here we have Russ Smith, D. Kazel, Jack Noonan, J. O'Brien, Jerry Friga, and M. Chapas.

They met under the Arch de Triomphe.

. . . the night seemed to fly by.

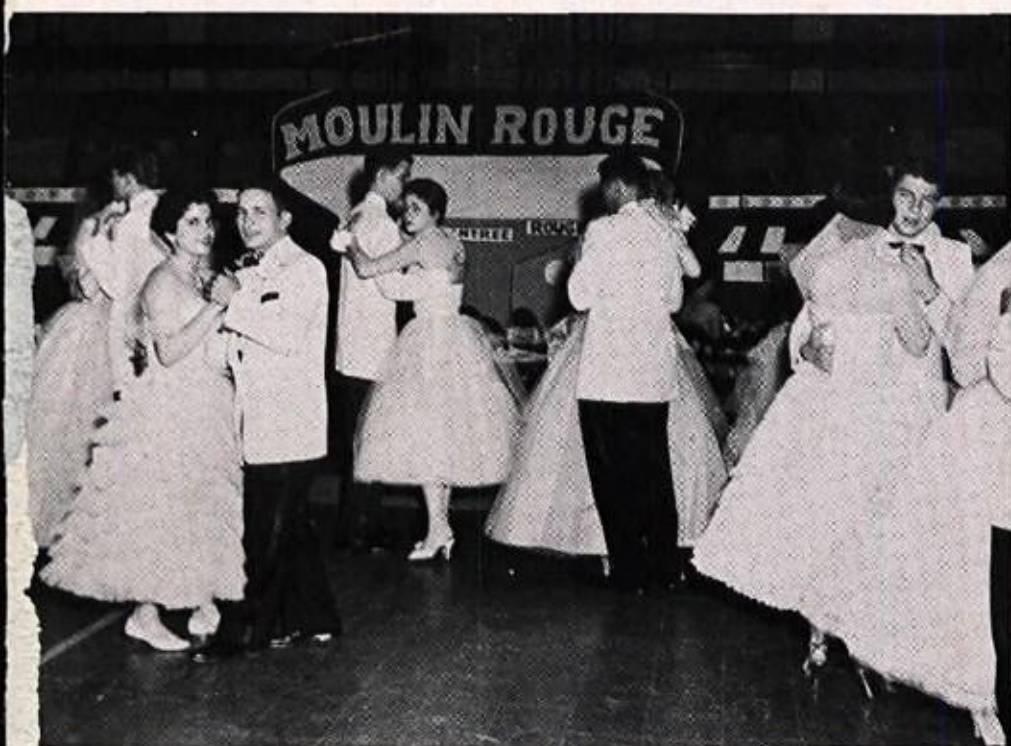

Smile, please.

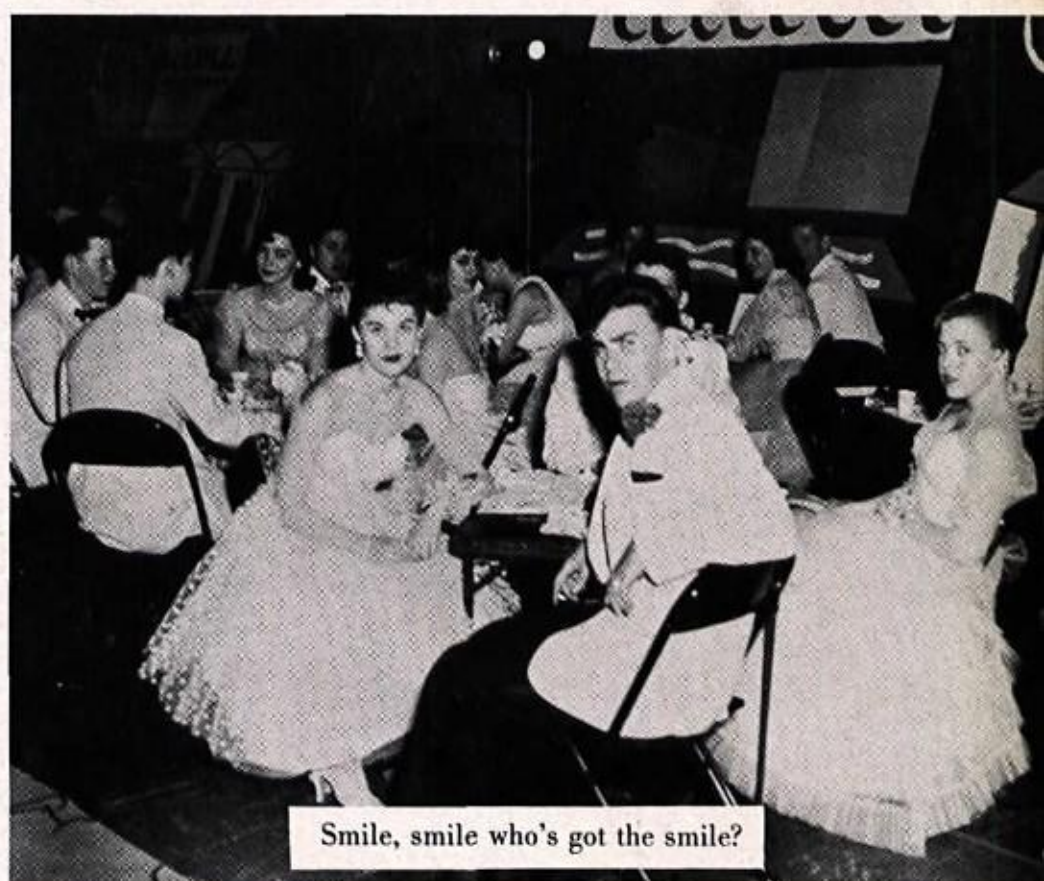

The cafes were jammed.

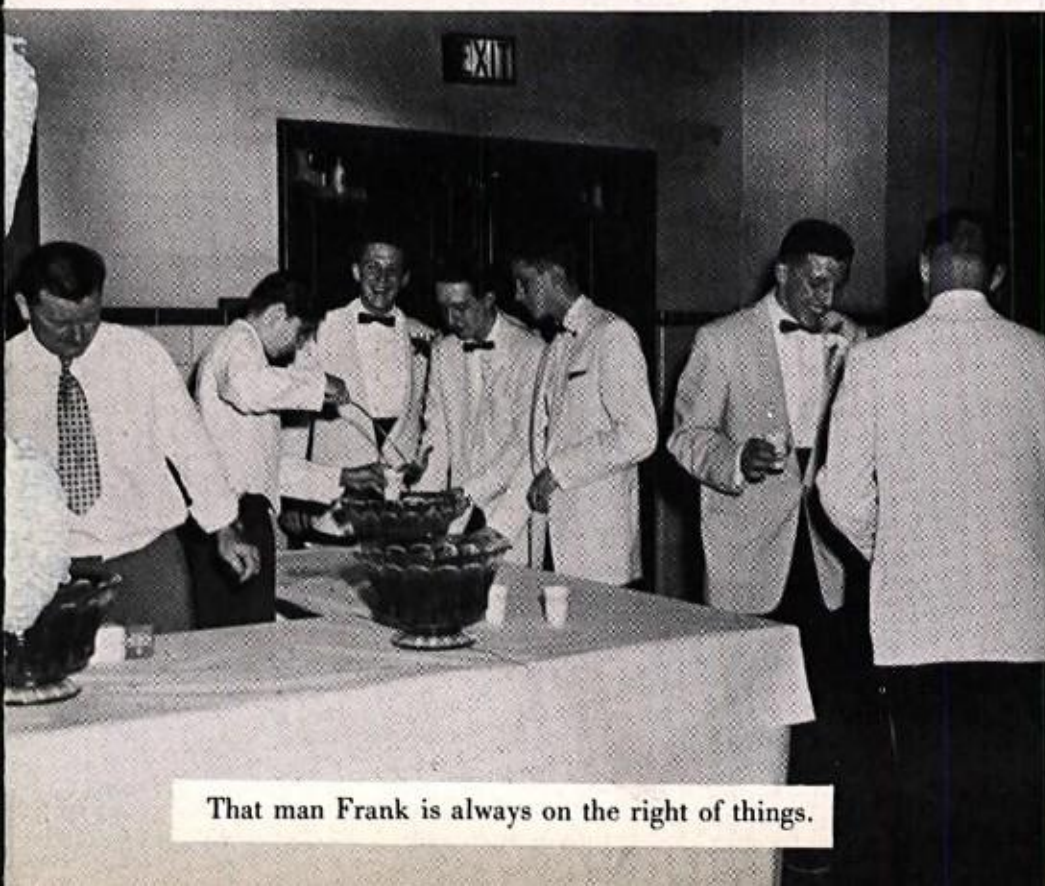

Yep! This must be the place.

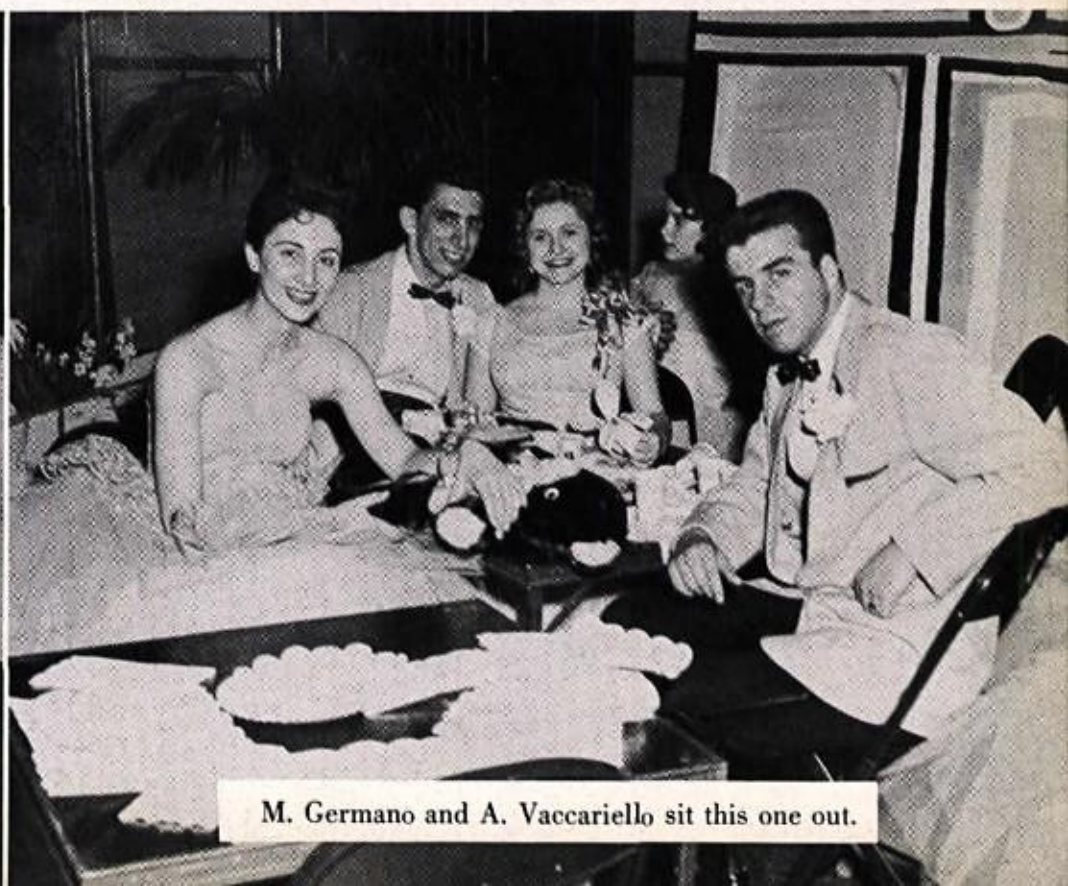

They danced the evening away . . . and enjoyed it.

Smile, smile who's got the smile?

That man Frank is always on the right of things.

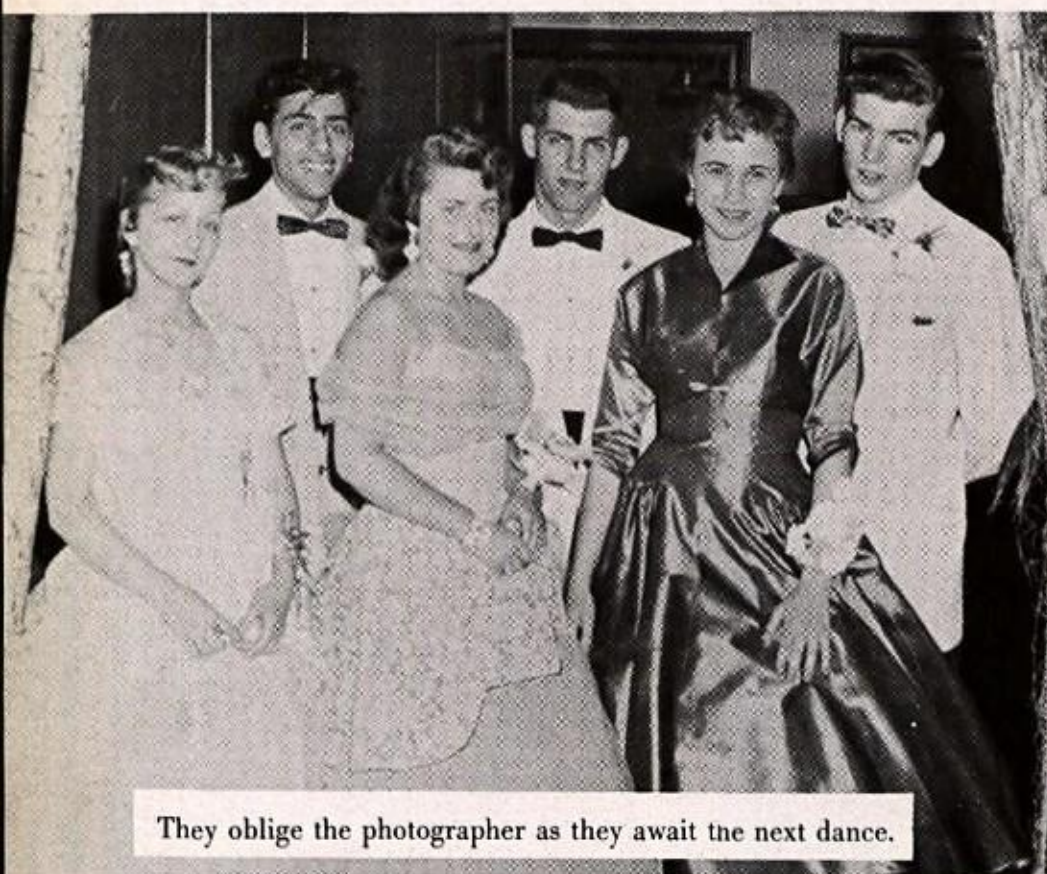

M. Germano and A. Vaccariello sit this one out.

"ON THE BEACH OF WAIKIKI"

JUNIOR PROM

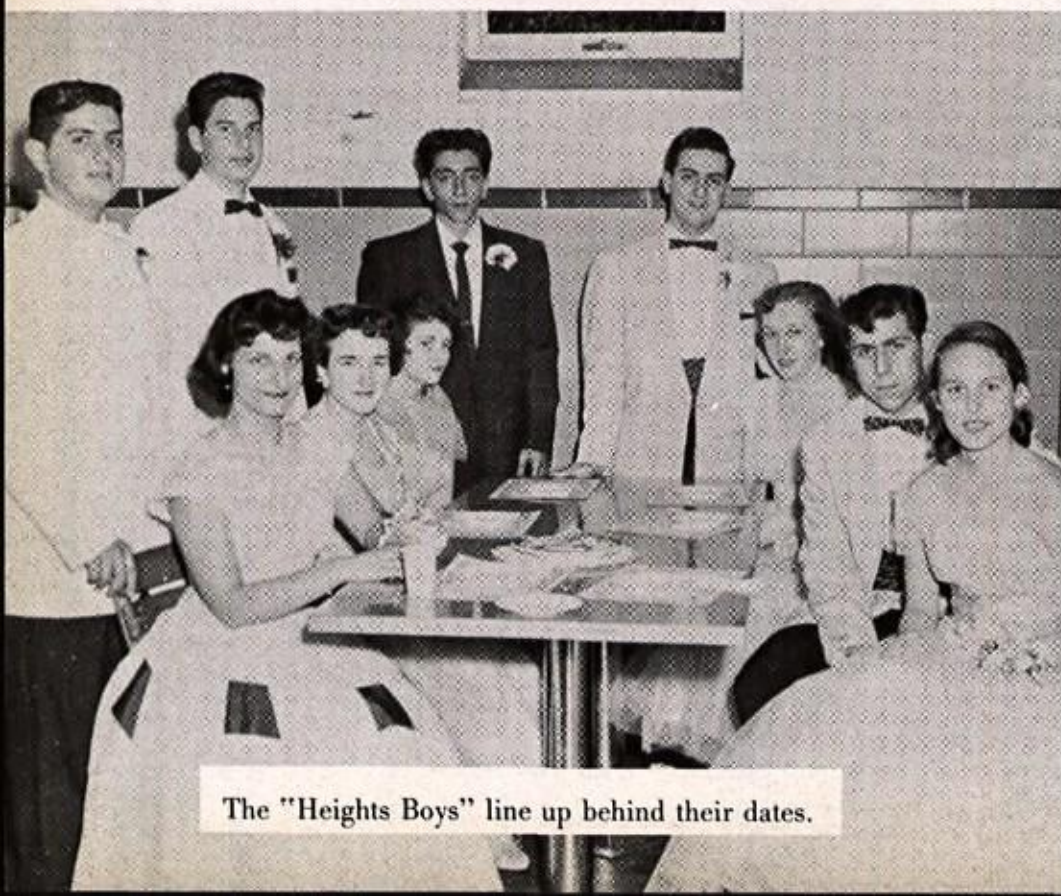

The seats by the mural were the most popular.

They oblige the photographer as they await the next dance.

Watch that gossip in the corner.

The "Heights Boys" line up behind their dates.

One last picture before leaving.

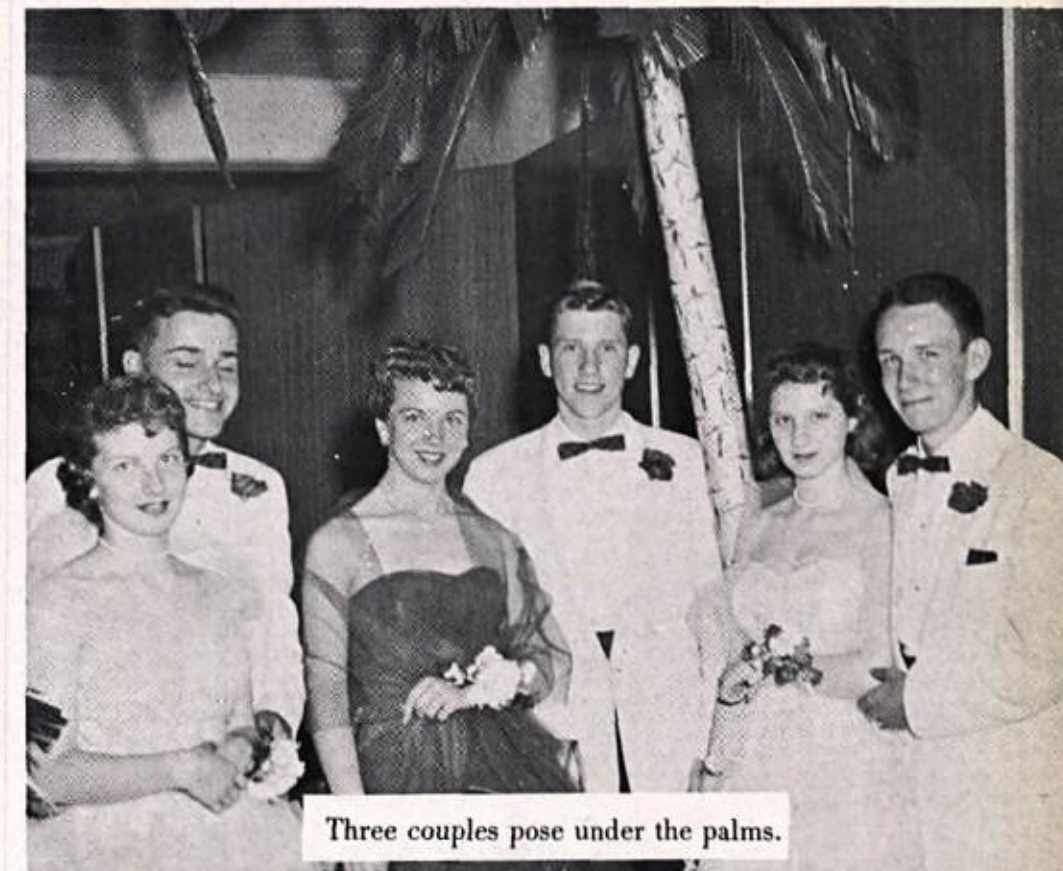

Happy faces reflect the happy time.

Three Juniors, their excited dates, and never-to-be forgotten memories.

The tired ones always sit for pictures.

Three couples pose under the palms.

Do these customers expect table service?

Just like High Society!

ALMA MATER

Oh Red and Blue

Our colors true

Forever shall they be

Saint Joseph High

Oh we'll be true

To nation, God and Thee

We pledge our love and loyalty

For we shall be inspired by thee

Saint Joseph High, Alma Mater

Oh we'll be true to thee.

Thy Name we sing, with grateful voice

We praise and e're rejoice

With eager stride from every side

We pledge our love for Thee

All Hail to Thee

We are as one

They sorrows share

and Joy declare

We join our hands and pledge to keep

Thy name eternally.

FIGHT SONG

Onward Red and Blue and we will score another touchdown

Fight right down the field and we will win this game today

For we will cheer our noble name and charge right on throughout the game

For when the Vikings fight with all their might it means a victory.

Fight on Vikings true and we will cheer for Red and Blue

March right through that team and we will score our victory

And we will fight right through the game to send our name right on to fame

For when the Vikings fight with all their might we bring home victory.
